Beyond Codependency

And Getting Better All the Time *Hazelden*

The companion volume to "Codependent No More" journeys beyond the concept of self-understanding to analyze the dynamics of the healthy recovery process

The New Codependency

Help and Guidance for Today's Generation *Simon and Schuster*

In Codependent No More, Melody Beattie introduced the world to the term codependency. Now a modern classic, this book established Beattie as a pioneer in self-help literature and endeared her to millions of readers who longed for healthier relationships. Twenty-five years later concepts such as

self-care and setting boundaries have become entrenched in mainstream culture. Now Beattie has written a followup volume, The New Codependency, which clears up misconceptions about codependency, identifies how codependent behavior has changed, and provides a new generation with a road map to wellness. The question remains: What is and what is not codependency? Beattie here reminds us that much of codependency is normal behavior. It's about crossing lines. There are times we do too much, care too much, feel too little, or overly engage. Feeling resentment after giving is not the same as heartfelt generosity. Narcissism and self-love, enabling and nurturing, and controlling and setting boundaries are not interchangeable terms. In The New Codependency, Beattie explores these differences, effectively invoking her own inspiring story and those of others, to empower us to step out of the victim role forever. Codependency, she shows, is not an illness but rather a series of behaviors that once broken down and analyzed can be successfully combated. Each section offers an overview of and a series of activities pertaining to a particular behavior -- caretaking, controlling, manipulation, denial, repression, etc. -- enabling us to personalize our own step-bystep guide to wellness. These sections, in conjunction with a series of tests allowing us to assess the level of our codependent behavior, demonstrate that while it may not seem possible now, we have the power to take care of ourselves, no matter what we are experiencing. Punctuated with Beattie's renowned candor and intuitive wisdom, The New Codependency is an owner's manual to learning to be who we are and gives us the tools necessary to reclaim our lives by renouncing unhealthy practices.

Codependent No More

The Language of Letting Go

Daily Meditations on Codependency *Simon and Schuster*

Written for those of us who struggle with codependency, these daily meditations offer growth and renewal, and remind us that the best thing we can do is take responsibility for our own self-care. Melody Beattie integrates her own life experiences and fundamental recovery reflections in this unique daily meditation book written especially for those of us who struggle with the issue of codependency. Problems are made to be solved, Melody reminds us, and the best thing we can do is take responsibility for our own pain and self-care. In this daily inspirational book, Melody provides us with a thought to guide us through the day and she encourages us to remember that each day is an opportunity for growth and renewal.

Codependency No More**How to Cure Codependency, Start to Love Yourself and Fight for No More Codependent Relationship Ever**

If you want to know how you can overcome your nature of codependency, then keep reading... More often than not, people have face difficulty in maintaining healthy relationships. They are either too clingy or go into a complete emotional shutdown. They do not find proper connections with others that they can trust or feel safe in. Sometimes, you might think that you have found the one and develop a connection with that person, but can you differentiate between dependency and love? If you have the same question in your mind, then this book is the perfect choice for you because it will answer your question with proper explanations. In the case of codependents, their affection and love come from a place of fear of abandonment or rejection, and this is mostly because they had faced a neglectful childhood. They face endless, complex situations in their relationships, but even though they have the intention to form real human connections, their insecure self gets the better of them. Are you suffering from a similar situation? Do you think you are troubled by resentment, internalized shame, and guilt? All of these can be quite difficult feelings to handle on your own, and this book has mentioned a step-by-step approach to recover from the state of codependency. If you do not take the right steps towards recovery, you might simply be running in a race where you don't know where to go. Everything in a relationship boils down to one single word, and that is - communication. But healthy and assertive communication is something every codependent struggles with. They have so badly shamed for expressing themselves in their past that now they have forgotten how to look into their inner selves. They fear that whenever they try to communicate, there will be some conflict, and they will lose the person. There are others who manipulate people in their life to get what they want. Both these types of codependents can recover if they know what to do. Here is a summarized version of all the key points which have been mentioned in this book: Signs that denote codependency Forming proper connections and letting go of pent up resentment Loving yourself and giving your needs the first priority The steps towards recovery Building strong relationships with the right amount of autonomy and intimacy Even if you do not have a basic idea of what codependency is, do not worry as this book will give you the introduction you need and then explain everything in the simplest way possible. So, it's time for you to take your life into your own hands and don't let yourself be a hostage to your ego. What could be better than a relationship where both your needs

are fulfilled, and you can reveal your true selves? So, if you want to be in a relationship like that, all you have to do is scroll up and click on the Buy Now button!

Codependent No More**Stop Codependency It's Time to Start Loving Yourself** *Shell Teri*

In this seminal work, Codependent No More, the author breaks down, in a most lucid fashion, the cause and effect of being in a codependent relationship, and how to overcome it.

The Christian Codependence Recovery Workbook**From Surviving to Significance Revised and Updated**

This second revised version offers a group leader's manual updated material. The Christian Codependence Recovery Workbook: From Surviving to Significance takes you through a truth-finding journey to reveal your system of love, life and relationships. It practically addresses the manifest behaviors, emotions and needs of the codependent, while simultaneously introducing the precious truths of God's love. This workbook doesn't just diagnose the problem, but offers the healing principles of the Lord Jesus Christ in a fresh and profound way. When applied, you will have the opportunity to walk in freedom and grace, rather than bondage and control. Above all, this journey allows you to find freedom, purpose and identity in Christ. This book is written for anyone who wants to grow closer to the Lord, and to embrace healthy and whole relationships.

The Codependent Relationship Recovery Plan**A 5-Step Guide to Understand, Accept, and Break Free from the Codependent Cycle** *Althea Press*

Detach--from codependency in 5-steps. You can say no. You can stop people pleasing and start setting boundaries. You can ask for what you need. You can love and be loved--without sacrifice--by breaking the codependency cycle. The Codependency Recovery Plan empowers you to have healthy, happy interdependent relationships. This actionable 5-step program is designed to help you get in touch with yourself, assert boundaries, and communicate confidently. You'll be free to nurture true intimacy. The 5-steps to break the codependency cycle include: Step 1: Get in Touch with Your "Self"--Learn how to stand on your own two feet. Step 2: Prioritize Self-Care--Show yourself respect by caring for your mind and body. Step 3: Build Boundaries--Take a stand for what feels good to you in life and love. Step 4: Communicate Confidently--Open up about what you think, feel, and need to share with others. Step 5: Get intimate--Experience healthy and joyful connections. You can't change your history with codependency--but you can take charge of your recovery. Starting now.

Melody Beattie 3 Title Bundle: Author of Codependent No More and Three Other Bes**A collection of three Melody Beattie best sellers** *Simon and Schuster*

Beyond Codependency: You're learning to let go, to live your life free of the grip of someone else's problems. And yet you find you've just started on the long journey of recovery. Let Melody Beattie, author of the classic *Codependent No More*, help you along your way. A guided tour past the pitfalls of recovery, *Beyond Codependency* is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens next. *Playing It by Heart*: Since the publication of Melody Beattie's groundbreaking book *Codependent No More*, millions of people have confronted the demons of codependency. And yet, many in recovery find themselves slipping back into the old ways that brought them such grief. In her book *Playing It by Heart*, Beattie helps readers understand what drives them back into the grasp of controlling behavior and victimhood--and what it takes to pull themselves out, to return to the healing, faith, and maturity that come with a commitment to recovery. Personal essays, inspiring anecdotes, and prescriptive reminders show readers how to stop acting out their painful obsessions. Marked by compassion and keen insight, *Playing It by Heart* explores the author's most intense personal lessons and shows readers that, despite setbacks, recovery is a lifelong opportunity for spiritual growth. *Stop Being Mean to Yourself*: This is a sequel to Beattie's best-selling book, *Codependent No More* (Hazelden, 1993). Her new work contains the same compassionate tone and penetrating insight for which Beattie has become well known and loved. She takes her audience on an odyssey that starts in Northern Africa. On her journey she shares hope and encouragement and employs analogies along the way to Casablanca, Algeria, and Egypt. She provides lessons about letting go of fear and trusting one's instincts.

Codependent No More

Practical 2021 Guidance to Fix Your Codependency, Stop Being a People Pleaser, and Start Loving Yourself

Do you want to get rid of your codependent traits? Have you ever been reprimanded for not having the courage to handle things on your own and having the tendency to depend too much on other people? If the answer to these two questions is YES, I think you are in the right place. Why do I say this? If you want to develop autonomy and self-esteem, to have quality relationships and trust in what you do, it is fundamental to understand what the problems are and what can be done to overcome them. Usually, in codependent relationships, there are many negative emotions such as guilt, anger, depression, shame or inadequacy. All these intense emotions forbid true joy and satisfaction in the relationships we have with others. It is important to deal with this type of emotion and start expressing your thoughts, feelings, and needs. The strategies described in this book can undoubtedly help you take the necessary steps to understand how codependent traits appear and keep being maintained and, ultimately, the specific steps you need to take to completely change how things currently are. This book addresses and provides crucial guidance on topics like: What are the specific fingerprints of codependency? Why we tend to almost always step into codependent relationships. When does codependence become a real problem? How to stop being a people pleaser and start to say NO when you want to say NO. Three of the best ways to develop positive emotions. One of the most powerful strategies to make codependent traits disappear. How and why

you need to start developing your autonomy right now. One of the most attractive mindfulness exercises. Five golden principles to overcome codependent traits. And Much, Much More. "In the truest sense, freedom cannot be bestowed; it must be achieved." - Franklin D. Roosevelt." Cognitive-behavioral therapy is considered to be the most effective form of psychotherapy. The hard preparation over the years helped me to understand the problem in a much clear way and to approach it as pragmatically as possible. If you are a person who is willing to make an effort to make your dreams come true, this book will be very useful to you. The strategies described here can be applied very well by people who are not religious or do not necessarily have an alcoholic partner. So, it's not about religion, and it's not about alcoholism either. Here you won't find either opinions or ideas accidentally invented at night. It is an extremely practical book, specific, applicable and anchored in the specialized literature. Therefore, if you want to give your mind a chance to break free from the gripes of codependence and thus regain your autonomy, scroll up and click Add to cart Now.

The Better Boundaries Workbook

A CBT-Based Program to Help You Set Limits, Express Your Needs, and Create Healthy Relationships *New Harbinger Publications*

Do you have trouble saying "no," or constantly sacrifice your own needs to please others? If so, this evidence-based workbook will help you set healthy boundaries in all aspects of your life—without feeling guilty or afraid. If you find yourself feeling responsible for others' happiness, worrying about

letting people down, or struggling to speak up for yourself, you probably have difficulty setting healthy boundaries. Establishing clear personal boundaries is essential to creating and nurturing mutually respectful relationships based on equality. Setting limits can also protect you from getting involved in exploitative relationships, and help you avoid toxic personalities who don't have your best interests at heart. This evidence-based workbook will show you how to set healthy boundaries across all aspects of life—without sacrificing your kindness or compassion for others. You'll learn to define your boundaries and discover why they're so important for your emotional well-being. You'll also find a wealth of tips for maintaining boundaries in a "constantly-connected" world, strategies for what to do when people get upset or threatened by your assertiveness, and ways to make sure your needs are met. If you're tired of feeling guilty or afraid of putting your mental and physical health first, are ready to take back control of your life, and create healthy and balanced relationships, this book will show you how to step up and set limits, assert yourself confidently, and realize your full potential.

Finding Your Way Home

A Soul Survival Kit *Harper Collins*

What does it mean to feel at home, truly present with ourselves, comfortable with our choices, and alive to the possibilities of conscious change? How can we develop inner balance and connection, keeping our boundaries clear while opening our hearts to those we love? With practical wisdom and insight, Melody Beattie addresses these questions, encouraging us to reach a higher level of living and loving, and showing us how to be at home with ourselves wherever we are in the world, at whatever stage of life. Through true stories and take-action exercises, including journaling, visualizations, affirmations, meditations, and prayers, Beattie provides the essential tools to help us discover our own sense of home. Accessible and illuminating, Finding Your Way Home is a soul-searching look at how not to be victimized by ourselves or other people. Beattie urges us to discover new levels of integrity, to break through barriers that have blocked us for too long. This is a powerful and challenging book about buying back our souls and learning to live a life guided by spirit.

Facing Codependence

What It Is, Where It Comes from, How It Sabotages Our Lives *Harper Collins*

Pia Mellody creates a framework for identifying codependent thinking, emotions and behaviour and provides an effective approach to recovery. Mellody sets forth five primary adult symptoms of this crippling condition, then traces their origin to emotional, spiritual, intellectual, physical and sexual abuses that occur in childhood. Central to Mellody's approach is the concept that the codependent adult's injured inner child needs healing. Recovery from codependence, therefore, involves clearing up the toxic emotions left over from these painful childhood experiences.

The Addict's Loop

A New Understanding and Workbook for Codependent Relationships and Addiction *CreateSpace*

What is codependence, really? What creates addiction? Why am I attracted to the same codependent relationships over and over again? Why can't I stay sober? Why do I keep hurting or getting hurt by the people I love? How do my relationships affect my addiction? These questions and many more are answered in The Addict's Loop. The Addict's Loop uncovers and describes a new model for understanding codependent relationships and how they can create and fuel addiction. It is also a workbook with 9 steps toward recovery. There are examples, tools, writing exercises and solutions that heal codependent relationships and counter condition addiction patterns.

The Set Boundaries Workbook

Practical Exercises for Understanding Your Needs and Setting Healthy Limits *Penguin*

An accessible, step-by-step resource for setting, communicating, and enforcing healthy boundaries

at home, at work, and in life We all want to have healthy boundaries. But what does that really mean – and what steps are needed to implement them in our daily lives? Sought-after therapist and relationship expert Nedra Glover Tawwab presents clear explanations and interactive exercises to help you gain insight and then put it into action. Filled with thought-provoking checklists, questions, writing prompts, and more, The Set Boundaries Workbook is a valuable tool for everyone who wants to speak up for what they want and need, and show up more authentically in the world.

Christianity and Eastern Religions *Rose Publishing*

A century ago the average person knew little to nothing about Eastern religions like Buddhism or Hinduism. But as globalization has brought the East and West together, eastern religious teachings and practices are rapidly influencing more and more western culture and beliefs. For example, in 1900 an estimated 1% of North Americans believed in Hindu or Buddhist reincarnation compared with approximately 25% of the U.S. population who believe in reincarnation today. With missionary zeal, Hindu gurus and Buddhist monks such as the Dalai Lama of Tibetan Buddhism and the Maharishi Mahesh Yogi of Transcendental Meditation have traveled to the West to spread their beliefs. Some eastern religious beliefs and practices have been popularized in western culture through meditation, feng shui, martial arts, acupuncture, and Asian medicine. But the foundational beliefs of the eastern religious worldview remain in stark contrast to the Christian worldview. Christianity and Eastern Religions helps Christians understand their own beliefs as well as those of other religions. The pamphlet contains a detailed comparison of Christianity with 11 Eastern religions, including the major types of Hinduism and Buddhism. Christianity and Eastern Religions looks at the following topics: Key Beliefs on God and the purpose of life/salvation Origins, founders, and other major historical figures Sacred writings Distinctive practices and major celebrations denominations, and number of adherents The focus on the Dalai Lama Profiles of other Eastern religions, including Sikhism, Confucianism, Taoism, Shinto, as well as beliefs and practices such as reincarnation and karma, yoga, Eastern meditation The growth of Eastern religions and what it means to Christians This pamphlet also teaches the scriptural basis for why Christians Believe there is a God who is personal, powerful, and has a fatherly interest in our lives Believe that there is only one physical life, and then the judgment Believe that man can never be good enough to evolve to perfection, inner peace, or pleasing God Believe that Christ is the only way Believe that Christ is the means to inner peace, blessedness, and pleasing God

Make Miracles in Forty Days

Turning What You Have Into What You Want *Simon and Schuster*

Counsels readers on how to transform their lives for the better, sharing anecdotes about experiences with grief and loss while outlining a six-week plan for achieving gratitude and enabling change.

Love Is a Choice

The Definitive Book on Letting Go of Unhealthy Relationships *Thomas Nelson*

Let go of unhealthy relationships with the book that more than 850K people have trusted. Best-selling doctors, Hemfelt, Minirth, and Meier, walk you through their ten proven stages to recovery from codependency that results from external circumstances. Humans are susceptible to codependency because of our sinful tendency to use defense mechanisms to fool ourselves. In codependent relationships, deceitful games are played, and important Christian principles are often taken out of context and abused. God wants us to have healthy relationships with a balance between being dependent and independent. The doctors describe how the most effective means of overcoming codependent relationships is to establish or deepen a relationship with Christ Himself. They describe the causes of codependency, pointing out the factors that perpetuate it, and lead readers through their ten stages of recovery. Continue a deeper study with the Love Is a Choice workbook, available separately.

You're Not Crazy - You're Codependent

What Everyone Affected by Addiction, Abuse, Trauma Or Toxic Shame Needs to Know *J2 Publications*

If your life has been affected by addiction (yours or someone else's), abuse, trauma or toxic shaming, you may also be struggling with another invisible problem - codependency. Without your even being aware of the connection to the above issues, it has created additional life-long challenges such as endless guilt, anxiety, perfectionism, need to control, depression, a history of dysfunctional relationships and much more. This easy to understand, interactive book will reveal how codependency has sabotaged you, the lies it created in your beliefs and the truths that expose them. Also included is a Guide to Recovery using simple acts of mindfulness to overcome harmful habits in your thinking, actions and choices that are keeping you from having peace. Once you understand you are not crazy, just coping with the deep-seated effects of codependency, you will be free to create the life you were always meant to have.

The Art of Meditation *Harper Collins*

This classic, bestselling introduction to a regular program of daily meditation defines meditation's vital role in spiritual living, and features careful instructions, illustrative examples, and specially written meditations.

Co-Dependents Anonymous

Conquering Shame and Codependency

8 Steps to Freeing the True You *Hazelden Publishing*

A nationally recognized author and codependency expert examines the roots of shame and its

connection with codependent relationships. Learn how to heal from their destructive hold by implementing eight steps that will empower the real you, and lead to healthier relationships. Shame: the torment you feel when you're exposed, humiliated, or rejected; the feeling of not being good enough. It's a deeply painful and universal emotion, yet is not frequently discussed. For some, shame lurks in the unconscious, undermining self-esteem, destroying confidence, and leading to codependency. These codependent relationships—where we overlook our own needs and desires as we try to care for, protect, or please another—often cover up abuse, addiction, or other harmful behaviors. Shame and codependency feed off one another, making us feel stuck, never able to let go, move on, and become the true self we were meant to be. In *Conquering Shame and Codependency*, Darlene Lancer sheds new light on shame: how codependents' feelings and beliefs about shame affect their identity, their behavior, and how shame can corrode relationships, destroying trust and love. She then provides eight steps to heal from shame, learn to love yourself, and develop healthy relationships.

Courage to Cure Codependency

Healthy Detachment Strategies to Overcome Jealousy in Relationships, Stop Controlling Others, Boost Your Self Esteem, and Be Codependent No More *Independently Published*

Buy the paperback version of this book and get the eBook FREE Do you want to have the courage to trust yourself, speak up for yourself, say "no," and enforce boundaries in your relationships? Do you find yourself always in the position of being a caretaker, sacrificing your own needs in favor of someone else's, and taking on other people's responsibilities and consequences? Have you ever been a people-pleaser, trapped by your own over commitments to come to the rescue of everyone around you, and work to ensure everyone else's happiness but your own? If you have said yes to any of these questions, you may be exhibiting signs of codependency. While the term codependency came about to describe alcoholic behavior, codependency is not just for those suffering from substance abuse. And codependency can be present in all types of relationships--romantic, platonic, or with friends and family. Codependency comes in many forms and vary degrees of severity, but we've all been there at some point. Always trying to "fix" someone. Finding ourselves constantly attracting the same types of low-functioning people who are always in some sort of "crisis" and we're always coming to their rescue. Having a hard time saying "no" when we know we should. Or maybe your relationship starts off great and you feel happy, but at some point you find yourself in a position where you get wrapped up in your partner's life, and push aside your own goals, dreams, and habits. What seemed like healthy attachment has now turned into you basing your happiness on someone else's and constantly seeking validation from outside yourself. *Courage to Cure Codependency* will help you avoid codependency at all stages of a relationship. It will help you eliminate codependency in a current relationship, heal from the ending of a codependent relationship, and prevent getting into a codependent relationship in the future. Even though you may be exhibiting codependent behavior, it is not who you are, and your best self is underneath the parts of you that are holding you back. In this book, you will learn: How to practice saying no and enforcing boundaries How to reframe your thoughts to empower yourself and prevent

future codependent behavior Seven steps to heal from a codependent relationship How to reclaim your self-esteem and self-confidence The key things you must do in order to avoid getting back into another codependent relationship How to free yourself from guilt of refusing to continue to be an enabling caretaker How to salvage a codependent relationship and turn it around How to identify which type of codependent you are Why your codependency isn't your fault The surprisingly innocent behavior you may have done as a child that is causing codependent behavior in adulthood Sneaky ways codependency shows up in relationships and the harmful codependent behaviors you may not realize you're exhibiting And much more... You deserve to have healthy relationships. It's never too late to make a change, even if you have "always been this way," and jumped from relationship to relationship, or held on to dysfunctional partners longer than you should have, repeating negative cycles and patterns for fear of being alone. You have the strength to free yourself from the burden of codependency, find your inner power, discover inner peace, and uncover the healthiest version of yourself. Your journey to healing starts right now. Scroll up and click "buy now" to get this book!

Prodependence

Moving Beyond Codependency *Simon and Schuster*

Do you love an addict? Do you sometimes feel like their addiction is your fault? Are people calling you codependent? If our treatment toward loved ones of addicts alienates them, it's time we change our approach. With *Prodependence*, Dr. Robert Weiss offers us the first fully new paradigm in over 35 years for helping those who love and care for addicts. An attachment-focused model, prodependence recognizes that no one can ever love too much, nor should anyone be pathologized for whomever they choose to love as is often the case. Prodependence informs caregivers how to love more effectively, but without having to bear a negative label for the valuable support they give. When treating loved ones of addicts and other troubled people using prodependence, we need not find something "wrong" with them. Instead, we acknowledge the trauma and inherent dysfunction that occurs when living in relationship with someone whose life is failing and keep moving forward. Validating a caregiver's painful journey for what it is opens the door to support them in useful, non-shaming ways. Helping people take incremental, positive steps toward intimate healing is what Prodependence is all about!

Getting Back Out There

Secrets to Successful Dating and Finding Real Love after the Big Breakup *Da Capo Lifelong Books*

You're ready for a new romance, but how can you avoid repeating past mistakes? The author of *Getting Past Your Breakup* offers an essential guide to building a healthy relationship. Plenty of dating books offer advice on how to flirt or catch someone's eye, but they won't help you make better decisions during the selection process so you can find real love. Based on years of research and work with her own clients, Susan Elliott offers a proven plan that will help you to: Examine past

relationships for unfinished business and negative patterns Identify warning signs and red flags Keep your standards and boundaries high, even when you're head over heels Work through rejection, rebounding, and other bumps in the road Decide when to take a relationship to the next level and when to say goodbye With practical rules, strategies, and self-assessments -- including tips for dating as a parent and dating online -- Getting Back Out There will help you transition from your split to a happy, healthy new relationship.

Monkeytraps

Why Everybody Tries to Control Everything and How We Can Stop *Lioncrest Publishing*

Something's missing from your life. This much you know. But did you know you may be looking for it in the wrong place? This book is about a problem disguised as a solution, an idea that shapes and drives us all: Control. It's about the universal urge to make reality meet our expectations. How this urge becomes an addiction, wrecking lives and relationships. How it leads to anxiety, depression, substance abuse, broken marriages and dysfunctional parenting. In this book you'll learn: Why everyone is addicted to control How this addiction causes most -- if not all -- of our emotional problems How to listen to feelings instead of controlling them Filled with actionable insights you can start using today, "Monkeytraps" is a must-read for anyone seeking happiness, healthier relationships, and more peace of mind.

1001 Questions to Ask Before You Get Married *McGraw Hill Professional*

The relationship expert from the Ladies' Home Journal, the Wall Street Journal, and Lifetime Television shows how to prevent marriage problems before they start There's nothing wrong with

starter jobs and starter homes, but starter marriages? Relationship expert Monica Mendez Leahy is on a mission to help readers make their marriage last. Her 1,001 Questions to Ask Before You Get Married offers a reality check for couples on the marriage path, helping them realize how much they have yet to discover about their partner's nature, thought processes, lifestyle, and marital expectations. Engaged couples learn to discuss issues deeper than "chicken or fish" and to broach subjects that are often ignored before the nuptials yet essential for the foundation of an intimate, long-lasting relationship. Posed in a variety of fun formats, including multiple choice, fill-in-the-blank, and hypotheticals, these questions include topics such as: "Does your partner feel that you're too attached to your parents?" "Is there such a thing as innocent flirting?" "Is it OK to cheat on your taxes?" And more
