The World Christian Encyclopedia

World Christian Encyclopedia is a reference work, with its third edition published by Edinburgh University Press in November 2019. The WCE is known for providing membership statistics for major world religions and Christian denominations including historical data and projections of future populations.

World Christian

Encyclopedia - Wikipedia

The first edition of the World Christian Encyclopedia (1982) was one of Oxford University Press's best-selling reference books. The book was immediately praised as the authoritative, definitive work in the field of international religious demography. Its oversized 1,000 pages embody the most extensive survey of Christianity and world religions ever attempted.
