Good Will Hunting

A Screenplay *Miramax Books*

As director Gus Van Sant observes in the introduction to Matt Damon's and Ben Affleck's screenplay *Good Will Hunting*, the two young actors somewhat resemble the characters they play in the film: they're best friends, and Affleck (who plays Chuckie) habitually chauffeurs Damon (Will), who doesn't drive. Van Sant says we can see how badly Damon drives by watching the film's last scene, in which he is actually driving the car with the camera mounted on it. But Damon and company write better than he drives; this script contains some of the boldest, best monologues since *Pulp Fiction*. Van Sant and cast member Robin Williams helped the

young actors tame the tigers in their cranial tanks, trimming the script into a precision instrument. Though the stills from the film are not perfectly matched to their places in the script, this story remains as much a joy to read as it is to watch on the big screen.

Get Out

The Complete Annotated Screenplay *Inventory Press*

Jordan Peele's celebrated screenplay combines horror and dark humor to reveal the terrifying realities of being Black in America "Blending race-savvy satire with horror to especially potent effect, this bombshell social critique from first-time director Jordan Peele proves positively fearless." -Peter

Debruge, Variety "An exhilaratingly smart and scary freak out about a black man in a white nightmare." -Manohla Dargis, New York Times "A major achievement, a work that deserves, in its own way, to be viewed alongside Barry Jenkins' *Moonlight* as a giant leap forward for the possibilities of black cinema; *Get Out* feels like it would have been impossible five minutes ago." -Brandon Harris, New Yorker Jordan Peele's powerful thriller *Get Out* debuted in 2017 to enormous public and critical acclaim, a *Guess Who's Coming to Dinner?* for the age of Obama and Trump that scared audiences and skewered white liberal pieties at the same time. Rather than rely on popular archetypes, Peele weaves together the material realities and daily manifestations of

horror with sociopolitical fears and elements of true suspense, and combines them with pitch-perfect satire and a timely cultural critique. This companion paperback to the film presents Peele's Oscar-winning screenplay alongside supplementary material. Featuring an essay by author and scholar Tananarive Due and in-depth annotations by the director, this publication is richly illustrated with more than 150 stills from the motion picture and presents alternate endings, deleted scenes and an inside look at the concepts and behind-the-scenes production of the film. Continuing in the legacy of 1960s paperbacks that documented the era's most significant avant-garde films--such as Akira Kurosawa's *Rashomon*, Jean-Luc

Godard's *Masculin/Feminin* and Michelangelo Antonioni's *L'Avventura*--*Get Out* is an indispensable guide to this pioneering and groundbreaking cinematic work. Jordan Peele (born 1979) is an American writer, director and producer. Peele's directorial debut, *Get Out* (2017), earned him an Academy Award for Best Original Screenplay as well as nominations for Best Picture and Best Director. In 2012, Peele founded Monkeypaw Productions, which amplifies traditionally underrepresented voices and unpacks contemporary social issues, while cultivating artistic, thought-provoking projects across film, television and digital platforms, including Peele's follow-up to *Get Out*, the critically acclaimed horror epic, *Us* (2019).

No Country for Old Men *Vintage*

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips

down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. No Country for Old Men is a triumph.

Down and Dirty Pictures

Miramax, Sundance, and the Rise of Independent Film *Simon and Schuster*

In this “dishy...superbly reported” (Entertainment Weekly) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed

Easy Riders, Raging Bulls, Peter Biskind “takes on the movie industry of the 1990s and again gets the story” (The New York Times). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the

best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and “sensationally entertaining” (Los Angeles Times) *Down and Dirty Pictures* is a must-read for anyone interested in the film world.

When he returns to Russia in 1917 for the Red October, will his beliefs stand? A Critical History of Soul Train on Television *McFarland*

As a wildly popular local dance show, Soul Train provided a venue for Chicago's soul singers and political activists and gave African American teenagers their first significant chance to see and identify with their peers on television. The subsequent national series garnered even more popularity, establishing producer and host Don Cornelius as one of the most successful pioneers of African American television production. This work discusses Cornelius's role in the evolution of his groundbreaking series from a small, all-black 1970s television show to a lucrative brand name applying not only to the program, but also to awards and various merchandise in the present day.

The first two chapters focus on Cornelius's years in Chicago and the initial launching of Soul Train in 1970. The next two chapters explore how the nationally televised, California-based version of the show rose steadily in both popularity and cultural influence among primarily African American viewers, and how Cornelius himself became a rising celebrity during that time. The final chapters illustrate Cornelius's efforts in branching out beyond the dance show through various music-related business ventures, including the Soul Train Music Awards. The work includes interviews with several former cast members and guests, along with a complete chronology of the series and Cornelius's other professional ventures.

Inglourious Basterds

A Screenplay *Little, Brown*

From the most original and beloved screenwriter of his generation, the complete Oscar-nominated screenplay of Quentin Tarantino's World War II epic *Inglourious Basterds*. From the brilliant writer/director behind the iconic films *Pulp Fiction*, *Kill Bill*, and *Once Upon a Time in Hollywood*, comes Tarantino's most ambitious movie: a World War II epic starring Brad Pitt and filmed on location in Germany and France. The action tale follows the parallel story of a

guerrilla-like squad of American soldiers called "The Basterds" and the French Jewish teenage girl Shosanna who find themselves behind enemy Nazi lines during the German occupation. When the Inglourious Basterds encounter Shosanna at a propaganda screening at the movie house she runs, they conspire to launch an unexpected plot to end the war. Pitt plays Lieutenant Aldo Raine -- the leader of the Basterds. Raine is an illiterate hillbilly from the mountains of Tennessee who puts together a team of eight Jewish-American soldiers to hunt down the Nazis. Filled with Tarantino's trademark electric dialogue and thrilling action sequences, *Inglourious Basterds* is one of the most celebrated films of the twenty-first century.

The Prodigy *Crossroad Press*

William James Sidis (1898-1944) was born to a psychologist with some unorthodox ideas about child rearing, attended Harvard at an absurdly young age, burned out at 14, and spent most of the rest of his life working menial jobs and living in poverty. Dubbed a "failed prodigy" by the popular press, he lived out his years as an eccentric and a recluse. The truth is a lot more complex than this, and the "failure" a matter of perspective, as shown in this remarkable biography. Wallace's book, the only biography of this most enigmatic of prodigies, gives us a balanced look at Sidis' up-bringing and a somewhat revisionist look at his later life. Sidis apparently was hard at work on manuscripts of various sorts even during

his later years; this book is to my knowledge the only one that gives an account of that later work, which dealt with American Indians. New manuscripts by Sidis have surfaced since the writing of this book, including a book on traffic accident patterns.

The Remains of the Day *Vintage*

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

Fromelles and Pozières *Random House Australia*

In the Trenches of Hell On July 19, 1916, 7000 Australian soldiers - in the first major action of the AIF on the Western Front - attacked entrenched German positions at Fromelles in northern France. By the next day, there were over 5500 casualties, including nearly 2000 dead - a bloodbath that the Australian War Memorial describes as 'the worst 24 hours in Australia's entire history. Just

days later, three Australian Divisions attacked German positions at nearby Pozières, and over the next six weeks they suffered another 23,000 casualties. Of that bitter battle, the great Australian war correspondent Charles Bean would write, "The field of Pozières is more consecrated by Australian fighting and more hallowed by Australian blood than any field which has ever existed . . ." Yet the sad truth is that, nearly a century on from those battles, Australians know only a fraction of what occurred. This book brings the battles back to life and puts the reader in the moment, illustrating both the heroism displayed and the insanity of the British plan. With his extraordinary vigour and commitment to research, Peter FitzSimons shows why this is a story

about which all Australians can be proud.
And angry.

Project Greenlight

Or, How to Win a Million Dollars and Make Your First Movie *Miramax Books*

Project Greenlight, created by Ben Affleck and Matt Damon, in association with Chris Moore (producer of Good Will Hunting and American Pie), is the most ambitious screenplay contest ever launched. In September 2000, first-time writers were invited to submit a new screenplay via the Internet for a chance to win the grand prize of a million dollars and the opportunity to direct their own Miramax-distributed film. The entire project -- the contest, judging, naming of the winner, the journey from script to

final movie, and the night of the premiere -- is being covered in an HBO 13-part documentary series to air in January 2002. This is the companion volume to Project Greenlight and the tie-in book for the HBO series. It includes a close-up account of the conception, contributions from Ben Affleck and Matt Damon, and a description in fascinating detail of the evolution from raw screenplay to finished movie, including the diary of the winner and a true inside perspective on the making of a film. Compelling, informative, and entertaining, Project Greenlight will become a primer for anyone with a screenplay and an ambition to see it produced.

The Periodic Table of Elements Coloring Book *Gregory M. Friedlander & Associaets, P.C.*

A coloring book to familiarize the user

with the Primary elements in the Periodic Table. The Periodic Table Coloring Book (PTCB) was received worldwide with acclaim. It is based on solid, proven concepts. By creating a foundation that is applicable to all science ("Oh yes, Hydrogen, I remember coloring it, part of water, it is also used as a fuel; I wonder how I could apply this to the vehicle engine I am studying...") and creating enjoyable memories associated with the elements science becomes accepted. These students will be interested in chemistry, engineering and other technical areas and will understand why those are important because they have colored those elements and what those elements do in a non-threatening environment earlier in life.
