Be Nice to Spiders *Harper Collins*

When Billy left his pet spider, Helen, at the Zoo, the animals suddenly became happy and contented. The lions snoozed all day long, the elephants enjoyed their baths, and the zebras ate their hay in

peace -- all because Helen was spinning webs and catching flies. But one day Helen's webs were swept away. The Keeper had the cages cleaned for the Mayor's inspection tour. Soon the flies were back again and the animals were miserable once more. But not for long... Children will be fascinated and amused by the way Helen solved the problem and won a permanent place of honor for herself in the Zoo. Margaret Bloy Graham's pictures match the wit and charm of her delightful story.

I'm Trying to Love Spiders *Puffin Books*

You don't have to love or even like spiders to love this book. In fact, if you really don't like spiders, you'll have a lot in common with the book's narrator, who despite his/her best intentions, cannot help smooshing them! This fresh and very funny non-fiction picture book shares lots of fascinating facts about spiders—like a single spider can eat 50 pounds of bugs in a year!—and in an entirely captivating way. If *I'm Trying to Love Spiders* doesn't cure your spider phobia, it'll at least make you appreciate how amazing they are...and laugh a lot as you learn about them.

Spiders (New & Updated Edition) *Holiday House*

Weaving webs, digging burrows, and floating on strands of silk—spiders are fascinating creatures! From tiny baby spiderlings to large tarantulas, nonfiction master Gail Gibbons' introduction to these intriguing arachnids reminds us that even when they look scary, most spiders are harmless—and even helpful! There are over thirty thousand kinds of spiders in the world—small and large, colorful or gray—and they live, hunt, and adapt in different ways. A number of different species and spider behaviors are highlighted in this book, accompanied by clear, labeled illustrations and important vocabulary. This new and updated edition, vetted by an entomologist, includes revised illustrations and the latest in arachnid science. Filled with interesting trivia and information on the history of spiders, as

well as an explanation of the difference between spiders and insects, this is a great introduction that takes the fear out of our eight-legged, web-spinning friends.

The Lady and the Spider *StarWalk Kids Media*

A spider has made her home among the green hills and valleys of a lettuce leaf. It is a perfect den, just the right size, with a dewdrops pool nearby that will catch moths on moonlit nights. How is the spider to know that the lady intends to eat that very lettuce for lunch one day?

Are You a Spider?

Be Nice to Spiders

Common Spiders of North America

University of California Press

Spiders are among the most diverse groups of terrestrial invertebrates, yet they are among the least studied and understood. This first comprehensive guide to all 68 spider families in North America beautifully illustrates 469 of the most commonly encountered species. Group keys enable identification by web type and other observable details, and species descriptions include identification tips, typical habitat, geographic distribution, and behavioral notes. A concise illustrated introduction

to spider biology and anatomy explains spider relationships. This book is a critical resource for curious naturalists who want to understand this ubiquitous and ecologically critical component of our biosphere.

There's a Spider in My Soup!

Little Spider loves swinging from her web, in spite of the fact that Mum and Dad Spider warn her against it. But when swinging lands her in the soup, it's an opportunity to make new friends and do something adventurous that the whole family can enjoy! A playful story featuring Megan Brewis' distinctive voice and artwork with positive messages around breaking down all kinds of barriers (even if it does mean breaking the rules . . . and the web).

The Spider *Tundra Books*

Text and illustrations introduce the reader to spiders.

This Book Is Full of Spiders

The Spider and the Fly *Simon & Schuster Children's*

"'Will you walk into my parlour,' said the Spider to the Fly..." is easily one of the most recognized and quoted first lines in all of English verse. But do you have any idea how the age-old tale of the Spider and the Fly ends? This enduring verse from Mary Howitt dates back to the nineteenth century, but its warning - to beware the wiles of flattery - remains today as relevant as ever. Now in its tenth year, celebrated artist Tony DiTerlizzi, drawing inspiration from his love of classic Hollywood horror movies of the 1920s and 1930s, shines a cinematic spotlight on Mary Howitt's warning, written to her own children about those who use sweet words to hide their not-so-sweet intentions. Featuring new jacket art and a commemorative poster this special 10th anniversary edition of the quintessential cautionary tale is a must have!
