KID'S TRAVEL JOURNAL WORKBOOK Don't let another trip go by without capturing your child's memories! One of my favorite keepsakes from our first big family vacation was a little sketchbook in which my daughter drew a picture from each day of our trip. Seeing the trip, reflected in what she chose to draw, was

as precious as the memories themselves. This travel journal gives your kids space to record their experience of their summer travels.

A kids' travel journal is important for all of those same reasons, but more as well. When a child writes out in sentence form about their day and what happened it causes their mind to process it in a new way. They will see it from a different perspective and remember it through that writing and also drawing.
