Death in the Family Penguin

A storm-struck island. A blood-soaked bed. A missing man. In this captivating mystery that's perfect for fans of Knives Out, Senior Investigator Shana Merchant discovers that murder is a family affair. Thirteen months ago, former NYPD detective Shana Merchant barely survived being abducted by a serial killer. Now hoping to leave grisly murder cases behind, she's taken a job in her fiancé's sleepy hometown in the Thousand Islands region of Upstate New York. But as a nor'easter bears down on her new territory, Shana and fellow investigator Tim Wellington receive a call about a man missing on a private island. Shana and Tim travel to the isolated island owned by the wealthy Sinclair family to question the witnesses. They arrive to find blood on the scene and a house full of Sinclair family and friends on edge. While Tim guesses they're dealing with a runaway case, Shana is convinced that they have a murder on their hands. As the gale intensifies outside, she starts conducting interviews and discovers the Sinclairs and their guests are crawling with dark and dangerous secrets. Trapped on the island by the raging storm with only Tim whose reliability is thrown into question, the increasingly restless suspects, and her own trauma-fueled flashbacks for company, Shana will have to trust the one person her abduction destroyed her faith in—herself. But time is ticking down, because if Shana's right, a killer is in their midst and as the pressure mounts, so do the odds that they'll strike again.

Death in the Family Doubleday Canada

In this national bestseller, a work of vigorous reporting, deep compassion and unerring integrity, award-winning journalist and documentarian John Chipman investigates the lives left ruined in the wake of Dr. Charles Smith's ignominious career. In the mid-'90s, the Ontario Coroner's office decided that death investigation teams needed to "think dirty." They wanted coroners, pathologists and police to be more suspicious--to "assume that all deaths are homicides until satisfied that they are not." They were particularly concerned about pediatric deaths, which historically had been exceedingly difficult to investigate. There were usually no witnesses; no evidence to gather at the scene; no outward signs of trauma on the body. If the pathologist did not discover the truth of what had happened, child abuse could go uncovered. Among those charged to "think dirty" was Dr. Charles Smith, Ontario's top pediatric forensic pathologist at the time. But with virtually no training in forensics, Dr. Smith was ill prepared for his work. Instead of basing his judgments on forensic evidence found during autopsies, he allowed himself to be swayed by circumstantial evidence. The defendants were often single mothers--some on welfare, some struggling with substance abuse. And they made for easy targets. Dr. Smith made dangerous assumptions, and the results were catastrophic. Numerous individuals were pronounced guilty, and incarcerated, on his shaky evidence. This penetrating investigative work explores the wide ripples of destruction caused when the justice system fails, the burden felt by ethical individuals working within that system and the importance of its victims finally being heard.

A Death in the Family Minotaur Books

"There's no easy way to say this, Kubu. Your father's dead. I'm afraid he's been murdered." Faced with the violent death of his own father, Assistant Superintendent David 'Kubu' Bengu, the smartest detective in the Botswana police, is baffled. Who would kill such a frail old man? Kubu's frustration grows as his boss, Director Mabaku, bans him from being involved in the investigation. The picture becomes even murkier with the apparent suicide of a government official. Are Chinese mine-owners involved? And what role does the US Embassy have to play? Set amidst the dark beauty of modern Botswana, A Death in the Family is a thrilling insight into a world of riots, corruption, and greed, as a complex series of murders presents the opera-loving detective with his most challenging case yet. When grief-stricken Kubu defies orders and sets out on the killers' trail, startling and chilling links emerge, spanning the globe and setting a sequence of shocking events in motion. Will Kubu catch the killers in time?

Four men who are related to each other but became estranged during World War II are reunited in Rome after the war.

My Struggle: *Macmillan*

An autobiographical novel focuses on a young man trying to make sense of his place in the disjointed world that surrounds him.

Empire of Pain *Doubleday*

NATIONAL BOOK CRITICS CIRCLE NOMINEE • A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • A grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of Say Nothing The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. The Sackler name has adorned the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, known for their lavish donations to the arts and the sciences. The source of the family fortune was vague, however, until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. Empire of Pain begins with the story of three doctor brothers, Raymond, Mortimer and the incalculably energetic Arthur, who weathered the poverty of the Great Depression and appalling anti-Semitism. Working at a barbaric mental institution, Arthur saw a better way and conducted groundbreaking research into drug treatments. He also had a genius for marketing, especially for pharmaceuticals, and bought a small ad firm. Arthur devised the marketing for Valium, and built the first great Sackler fortune. He purchased a drug manufacturer, Purdue Frederick, which would be run by Raymond and Mortimer. The brothers began collecting art, and wives, and grand residences in exotic locales. Their children and grandchildren grew up in luxury. Forty years later, Raymond’s son Richard ran the family-owned Purdue. The template Arthur Sackler created to sell Valium—co-opting doctors, influencing the FDA, downplaying the drug’s addictiveness—was employed to launch a far more potent product: OxyContin. The drug went on to generate some thirty-five billion dollars in revenue, and to launch a public health crisis in which hundreds of thousands would die. This is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d’Antibes to the corridors of power in Washington, D.C. Empire of Pain chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. Empire of Pain is a masterpiece of narrative reporting and writing, exhaustively documented and ferociously compelling. It is a portrait of the excesses of America’s second Gilded Age, a study of impunity among the super elite and a relentless investigation of the naked greed and indifference to human suffering that built one of the world’s great fortunes.

Dancing After Hours *Vintage*

A New York Times Notable Book of the Year From a genuine hero of the American short story comes a luminous collection that reveals the seams of hurt, courage, and tenderness that run through the bedrock of contemporary American life. In these fourteen stories, Dubus depicts ordinary men and women confronting injury and loneliness, the lack of love and the terror of actually having it. Out of his characters' struggles and small failures--and their unexpected moments of redemption--Dubus creates fiction that bears comparison to the short story's greatest creators--Chekhov, Raymond Carver, Flannery O'Connor.

The Hemingses of Monticello: An American Family *W. W. Norton & Company*

Winner of the National Book Award and the Pulitzer Prize: "[A] commanding and important book." —Jill Lepore, The New Yorker This epic work—named a best book of the year by the Washington Post, Time, the Los Angeles Times, Amazon, the San Francisco Chronicle, and a notable book by the New York Times—tells the story of the Hemingses, whose close blood ties to our third president had been systematically expunged from American history until very recently. Now, historian and legal scholar Annette Gordon-Reed traces the Hemings family from its origins in Virginia in the 1700s to the family’s dispersal after Jefferson’s death in 1826.

Family *Invoke Books*

In Matthew Costello’s widely acclaimed post-apocalyptic thriller, Vacation, NYPD cop Jack Murphy leaves the city with his wife, Christie, and kids, Kate and Simon. Retreating to the supposed safety of a bucolic camp for families, Jack discovers that the plague of cannibalism that has claimed so many cities, is here as well. And only his self-sacrifice will enable his wife, his kids...to get out. In Home Christie tries to return to the gated security of their home. At least in that world, there were security guards with AR-15s, and electric fences. But when Christie returns, she discovers that -- for them -- home has vanished, replaced by what is left of the civilized world quickly collapsing around them. Worse, another change has taken hold with humanity – and that very word...humanity did not apply any more. Now in the last volume in the series, Family, a wounded Christie, Kate and Simon....more like equals than a mother and kids...must flee that world to find if there is any place that can be safe for them, any place that they can be a family. Any place ...where they can survive. And as in the first book, sometimes only the most terrible sacrifice will allow your family...to live.

Invisible Child *Random House*

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her

siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

Furious Hours *Vintage*

NEW YORK TIMES BESTSELLER • This “superbly written true-crime story” (The New York Times Book Review) masterfully brings together the tales of a serial killer in 1970s Alabama and of Harper Lee, the beloved author of To Kill a Mockingbird, who tried to write his story. Reverend Willie Maxwell was a rural preacher accused of murdering five of his family members, but with the help of a savvy lawyer, he escaped justice for years until a relative assassinated him at the funeral of his last victim. Despite hundreds of witnesses, Maxwell’s murderer was acquitted—thanks to the same attorney who had previously defended the reverend himself. Sitting in the audience during the vigilante’s trial was Harper Lee, who spent a year in town reporting on the Maxwell case and many more trying to finish the book she called The Reverend. Cep brings this remarkable story to life, from the horrifying murders to the courtroom drama to the racial politics of the Deep South, while offering a deeply moving portrait of one of our most revered writers.

The Dead Season *Penguin*

Senior Investigator Shana Merchant has spent years running from her past. But she never imagined a murder case would drive her to the most dangerous place of all—home. After leaving the NYPD following her abduction by serial killer Blake Bram, Shana Merchant hoped for a fresh start in the Thousand Islands of Upstate New York. Her former tormentor has other plans. Shana and Bram share more than just a hometown, and he won’t let her forget it. When the decades-old skeleton of Shana's estranged uncle is uncovered, Bram issues a challenge: Return home to Vermont and solve the cold case, or the blood he spills next will be on her hands. As Shana interviews members of her family and the community, mining for secrets that could help her solve her uncle's murder, she begins to realize how little she remembers of her childhood. And when Bram grows impatient and kidnaps again, leaving a trail of clues Shana alone can understand, she knows his new victim will only survive if she wins the psychopath’s twisted game. In order to solve one mystery, Shana must wade into her murky past to unravel another.

X Troop *HarperCollins*

“Brilliantly researched, utterly gripping history: the first full account of a remarkable group of Jewish refugees—a top-secret band of brothers—who waged war on Hitler.”—Alex Kershaw, New York Times best-selling author of The Longest Winter and TheLiberator The incredible World War II saga of the German-Jewish commandos who fought in Britain’s most secretive special-forces unit—but whose story has gone untold until now June 1942. The shadow of the Third Reich has fallen across the European continent. In desperation, Winston Churchill and his chief of staff form an unusual plan: a new commando unit made up of Jewish refugees who have escaped to Britain. The resulting volunteers are a motley group of intellectuals, artists, and athletes, most from Germany and Austria. Many have been interned as enemy aliens, and have lost their families, their homes—their whole worlds. They will stop at nothing to defeat the Nazis. Trained in counterintelligence and advanced combat, this top secret unit becomes known as X Troop. Some simply call them a suicide squad. Drawing on extensive original research, including interviews with the last surviving members, Leah Garrett follows this unique band of brothers from Germany to England and back again, with stops at British internment camps, the beaches of Normandy, the battlefields of Italy and Holland, and the hellscape of Terezin concentration camp—the scene of one of the most dramatic, untold rescues of the war. For the first time, X Troop tells the astonishing story of these secret shock troops and their devastating blows against the Nazis. “Garrett’s detective work is stunning, and her storytelling is masterful. This is an original account of Jewish rescue, resistance, and revenge.”—Wendy Lower,

author of The Ravine and National Book Award finalist Hitler’s Furies	wheelchair, and then must tangle with family demons as her psychotic brother James Jr. comes after her.

A death in the family. Agee	In a shattering work that shifts between a woman's private anguish over the loss of her beloved cousin and a scholar's fierce critique of the American prison system, Danielle Allen seeks answers to what, for many years, felt unanswerable. Why did a precocious young man who dreamed of being a firefighter and a writer end up dead?
