Art of Chess Analysis. Default Title. All Grandmasters are able to devote themselves body and soul to actually playing a game of chess, but few indeed are able to do the same when analysing the games of their fellow Grandmasters. Yet it was by this method that Timman, following the teachings of Botvinnik, trained himself to become one of the finest analysts in the world - and why his annotations to this carefully selected collection of games are acknowledged to be of a depth and quality ...

Chess in Art is a colourful journey through the world of art tied together by the overaching theme of chess. It does, however, end somewhat abruptly. A continuation dealing with the period from 1900 onwards would be much appreciated! Chess in Art is just the right book for all who love chess culture. Chess in Art, ca. 110 euros. Links
