Night skiing through Nine Mile Recreation Area. The great thing about Nine Mile is the time is irrelevant since they have a wonderful lighted trail system. I checked into my hotel and then got dressed in my ski outfit and headed over to the trail. Nine Mile is on the outskirts of Wausau in a beautiful

mix of pine and hardwood forest.

The ten mile rec trail is a great addition
to the Dillon Rec path, it winds all the

way from Frisco to copper and up to Vail,
along the ten mile creek, even though
I70 is close by you really don't hear the
noise of the interstate and since it is well
treed, you don't have to see it either.
