W.M. Akers. There are a few pieces of the Declaration of Independence which most Americans know by heart. "When in the course of human events...", "...all men are created equal," and "Life, Liberty, and the pursuit of Happiness," are pieces of a philosophy that explain the very foundation of the American government. However, a close reading of the most important document in the early history of the United States can tell us more about what kind of government the founding fathers wanted.
