Explore Denver and more with the blue train as she winds her way through the state. Hike your way through national parks, and track through snow-covered mountaintops.

The Little Engine

The Original Tale from 1920 *Simon and Schuster*
The original, classic motivational tale with stunning new art in a handsome edition. The Little Engine is a classic fairytale that all children should know. Originally written in the early 20th century, the story is one of perseverance and confidence. You and your child can now read this original children's classic with this new edition full of colorful illustrations. The Little Engine follows a little train engine who takes up the task of carrying a large train up a massive hill—a task that larger and more accomplished engines refused to do. The little engine huffs and puffs his way up the hill, struggling to carry his heavy load. However, he is positive and confident the whole way and ends up succeeding in his mission, making it over the crest of the hill and down the other side. Reading about the results of positivity, and perseverance in this beautiful new edition of The Little Engine will leave your child (and you) feeling confident and thinking “I think I can, I think I can” all day long!

Dude, You're a Fag

Masculinity and Sexuality in High School, With a New Preface *Univ of California Press*
High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, Dude, You're a Fag sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.

The Caboose who Got Loose *Houghton Mifflin Harcourt*
Tired of always being jerked and jolted along the tracks in last place, Katy Caboose devises a clever plan for solving all of her travel woes.

The Giant Jam Sandwich *HarperCollins*
It's a dark day for Itching Down. Four million wasps have just descended on the town, and the pests are relentless! What can be done? Bap the Baker has a crazy idea that just might work . . . Young readers will love this lyrical, rhyming text as they watch the industrious citizens of Itching Down knead, bake, and slather the biggest wasp trap there ever was! John Vernon Lord's bright ink and crayon illustrations fill the pages with humorous detail.

Called to Create

A Biblical Invitation to Create, Innovate, and Risk *Baker Books*
We were created by an infinitely creative God to reflect his love and character to the world. One way we do that is by continuing his creative work. In this energizing book, serial entrepreneur and bestselling author Jordan Raynor helps artists, entrepreneurs, writers, and other creatives reimagine our

work as service to God and others, addressing such penetrating questions as - Is my work as a creative really as God-honoring as that of a pastor or missionary? - What does it look like to create not to make a name for myself but to glorify God and serve others? - How can I use my work to fulfill Jesus's command to create disciples? - Will what I make today matter in eternity? To answer these questions, Raynor shares compelling stories from an eclectic group of 40+ Christian entrepreneurs, including the founders of TOMS Shoes, Charity: Water, Chick-fil-A, In-N-Out Burger, Guinness, HTC, and Sevenly, as well as nontraditional entrepreneurs such as C. S. Lewis, Johann Sebastian Bach, and J. R. R. Tolkien. Raynor's "show" rather than "tell," story-driven style makes you feel as if you are sitting at the feet of some of the godliest and most successful entrepreneurs of all time. Perfectly poised to reach today's growing creative class, this unique work restores God's position as the first entrepreneur, helping readers see the eternal value in the work they do today.

When the Little Engine Couldn't

What can the children do without the train to deliver good food and toys? We tell the story of the children's answer, using found materials printed with the collagraph printmaking method. We invite you to participate in the process!
