Explorations in Theology Vol. 1: The Word Made Flesh: Von ...

Explorations in Theology and Film brings together theologians, biblical scholars, film and media specialists, and experts in language and literature to consider the potential of films contribution to contemporary Christian theological discussion. The main focus of the book is on the creative conversation between film and theology in the contemporary West, and it raises crucial questions about the interaction between theology and culture.

Explorations in Theology and Film: An Introduction: Amazon ...

The fourth volume in von Balthasar's essays is built around the theme of Spirit and Institution, the two central features of the Church which Balthasar approaches from different angles. The third volume is built around the theme of the Holy Spirit as the Creator Spirit. The first volume was constructed
