How to Think About Building Your Legacy

Another friend of mine, who died a few years ago, created a powerful legacy by simplifying his life and focusing on the essentials. John centered his life around three main things—building powerful connections with others, creating beautiful art, and cultivating his own spiritual growth.

You Can Make a Difference: 7 Ways to Create a Legacy

In 1835 the last set of building leases were signed, completing 'The Stonefield Estate'. The last street to be built was Cloudesley Street, running south from Cloudesley Square. Here, the houses reflected the 1830s taste for picturesque villas rather than tall terraces. The map of 1831 shows the estate a few years before completion.

The foundation of building a legacy is a

deep sense of knowing--not just knowing what is important to you, but what is non-negotiable. In a sense, it doesn't matter what those non-negotiables are....

How to Build a Legacy | Inc.com

Here are some tips for building a legacy that will make a difference in the lives of others. Identify the things that are most important to you. Before you start to build your legacy, spend some time in reflection so that you know what direction to take off in. As respected author James Cabell once said, "While it is well enough to leave footprints on the sands of time, it is even more important to make sure that they point in a commendable direction."
