### Apa Testing Guidelines

As these terms are used in APA policy, "guidelines" include pronouncements, statements or declarations that suggest or recommend specific professional behavior, endeavor or conduct for psychologists or for individuals or organizations that work with psychologists. In contrast to standards, guidelines are aspirational in intent.

### APA-Approved Standards and Guidelines

The Testing Standards are a product of the American Educational Research Association, the American Psychological Association

and the National Council on Measurement in Education. Published collaboratively by the three organizations since 1966, it represents the gold standard in guidance on testing in the United States and in many other countries.
