International Human Rights Law Cases

Explore our map of 50 landmark human rights cases, each with a brief description and a link to a free article or report on the case. The cases were chosen in conjunction with the editors of the Oxford Reports on International Law.

These choices were intended to showcase the variety of international, regional, and national mechanisms and fora for adjudicating human rights claims, and the range of rights that have been recognized.

Oxford Public International Law: 50 Human Rights Cases You ...

Human Rights Cases. TRIAL International brings justice to victims using two different fields of the law, either jointly or independently: Criminal law and human rights law. In both cases, individual victims have suffered serious abuse, and the crimes are of similar nature. But while criminal law deals with individual deeds, human rights law addresses State responsibility.

INTERNATIONAL LAW HANDBOOK - United Nations

The European Court of Human Rights is the only international court with jurisdiction to deal with cases brought by individuals rather than states. In early 2010, the court had a backlog of over 120,000 cases and a multi-year waiting list. About one out of every twenty cases submitted to the court is considered admissible.

International human rights law - Wikipedia

This book gives a good and detailed overview of international human rights law, focusing on sources, substantive obligation issues (such as progressive realisation) and methods of protection (regional, UN). Not much on individual substantive topics such as protection from torture, it is just lumped in with

'rights of an absolute character'.

**International Human Rights Law:
Amazon.co.uk: Olivier De ...**

International human rights law, which applies at all times including during situations of emergency and conflict, sets out the basic protections that all individuals are entitled to. It is the duty of states to respect, ensure and fulfill these rights.
