The Rough Guide To Beijing

What to see in Beijing. The place to start exploring is Tian'anmen Square, geographical and psychological centre of the city, where a cluster of important sights can be seen in a day, although the Forbidden City, at the north end of the square, deserves a day, or even several, all to itself. Heading north brings you to a city section with a more traditional and human feel, with some magnificent parks, palaces and temples, some of them in the hutongs.
