The value of reflection in helping to build knowledge to improve practice cannot be underestimated. It helps us make sense of work situations by encouraging us to look back at our actions and consider who is affected, what went well and less well in those interactions; it enables us to make changes to become better at what we do, ultimately improving care delivery.

Reflection: When is it a good time to reflect on things? Your past decisions, your current job, the life you have made with your kids and spouse, down to the history you and your dog have together. I don't reflect a lot. I find that my friends and family do enough of that for me and honestly I'm too busy. For me reflection happens in two ways...an unhealthy way and a healthy way.
