Epistemic Injustice Power And The

This book argues that there is a distinctively epistemic genus of injustice, in which someone is wronged specifically in their capacity as a knower, wronged therefore in a capacity essential to human value. The book identifies two forms of epistemic injustice: testimonial injustice and hermeneutical

injustice. In doing so, it charts the ethical dimension of two fundamental epistemic practices: gaining knowledge by being told and making sense of our social experiences.

Power and the Ethics of Knowing. In this exploration of new territory between ethics and epistemology, Miranda Fricker argues that there is a distinctively epistemic type of injustice, in which someone is wronged specifically in their capacity as a knower. Justice is one of the oldest and most central themes in philosophy, but in order to reveal the ethical dimension of our epistemic practices the focus must shift to injustice.

Précis**

Epistemic Injustice can

be divided into two parts: Testimonial, and Hermeneutical. The first has to do with a listener giving a speaker less credibility than she deserves, especially when the reduced credibility has to do with a prejudice about the speaker (for example, that women are merely intuitive rather than rational and therefore less likely to know what they're talking about).
