Starters and Starter Parts- Briggs & Stratton Online Store

Compared to the weaker 140CC engines,

this gizmo from Briggs and Stratton can

rightfully be called a monstrosity. The

Briggs and Stratton 675 Series is the

type of lawnmower you call in when

others can't get the job done. To speak

in mob terms, the weaker engines would

be Ray Liotta, while the 675 Series would

be Joe Pesci.
