A Day No Pigs Would Die *Laurel Leaf*

Female Chauvinist Pigs

Women and the Rise of Raunch Culture *Simon and Schuster*

A classic work on gender culture exploring how the women's movement has evolved to Girls Gone Wild in a new, self-imposed chauvinism. In the tradition of Susan Faludi's Backlash and Naomi Wolf's The Beauty Myth, New York Magazine writer Ariel Levy studies the effects of modern feminism on women today. Meet the Female Chauvinist Pig—the new brand of “empowered woman” who wears the Playboy bunny as a talisman, bares all for Girls Gone Wild, pursues casual sex as if it were a sport, and embraces “raunch culture” wherever she finds it. If male chauvinist pigs of years past thought of women as pieces of meat, Female Chauvinist Pigs of today are doing them one better, making sex objects of other women—and of themselves. They think they're being brave, they think they're being funny, but in Female Chauvinist Pigs, Ariel Levy asks if the joke is on them. In her quest to uncover why this is happening, Levy interviews college women who flash for the cameras on spring break and teens raised on Paris Hilton and breast implants. She examines a culture in which every music video seems to feature a stripper on a pole, the memoirs of porn stars are climbing the bestseller lists, Olympic athletes parade their Brazilian bikini waxes in the pages of Playboy, and thongs are marketed to prepubescent girls. Levy meets the high-powered women who create raunch culture—the new oinking women warriors of the corporate and entertainment worlds who eagerly defend their efforts to be “one of the guys.” And she traces the history of this trend back to conflicts between the women's movement and the sexual revolution long left unresolved. Levy pulls apart the myth of the Female Chauvinist Pig and argues that what has come to pass for liberating rebellion is actually a kind of limiting conformity. Irresistibly witty and wickedly intelligent, Female Chauvinist Pigs makes the case that the rise of raunch does not represent how far women have come, it only proves how far they have left to go.

The Discerning of Spirits *Impact Christian Books*

The gift of discerning of spirits is a powerful weapon in the Christian's arsenal! When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church, and the "gates of hell shall not prevail against her." The weapons God supplies us with are not carnal or fleshly weapons, but spiritual ones, they are "mighty through God to the pulling down of strong holds." We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer, and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom and faith.

Obstacles to Deliverance

Why Deliverance Sometimes Fails *Impact Christian Books*

Why does deliverance sometimes fail? This is, in essence, the same question raised by Jesus' first disciples. When these disciples were unable to cast out a spirit of epilepsy, they were puzzled and asked Jesus the reason for their failure. Jesus gave a multi-part answer which leads us to take into account the petitioner's faith, the deliverance minister's capability, the spiritual qualifications that must be met, the strength of the spirit confronted and the strategy of warfare employed. In particular, there are myths, misunderstandings and misinformation concerning the ministry of deliverance. The first battleground is in the minds of men, where Satan has sown questions, doubts and fears that become hindrances to involvement in this valid, biblical ministry. Those who want an answer should be given an answer. Ignorance, prejudice and fear are hurdles that some sincere Christians must get over before they are willing to become involved in spiritual warfare. Before one can bring himself to obedience to deal with the devil and demons, certain obstacles must be overcome in one's mind.

Repercussions from Sexual Sins

The Sexual Revolution Is Wreaking Havoc on the Family, the Church, and the Individual's Relationship with Jesus Christ *Impact Christian Books*

The sexual revolution has impacted our nation, our church and our family. Promiscuity, nudity and sexual obscenities have become commonplace, and our consciences have become desensitized. No longer is there a widespread outcry against the avalanche of filth flaunted daily before our eyes. The repercussions from sexual sin are mounting as moral convictions falter and sexual fads balloon. Neither the nation nor the individual can escape the consequences of disregarding God's commandments. The Bible warns us that, "The wages of sin is death" (Rom. 6:23), and "The way of the transgressor is hard" (Prov. 13:15). Unless these kinds of works of the flesh are quickly mortified, they become demonic strongholds. Sowing to the flesh produces corruption (Gal. 6:8), and corruption (dead flesh) provides a banquet table for unclean spirits. The inevitable

consequence of defilement is the loss of fellowship with a holy God. "Pursue... holiness, without which no one will see the Lord" (Heb. 12:14). Are the fleeting pleasures of sin worth the forfeiture of our fellowship with God? Learn how to break free from the bondage and repercussions from sexual sin.

The Second Coming of the New Age

The Hidden Dangers of Alternative Spirituality in Contemporary America and Its Churches *Defender*

The New Age movement has returned with full force in our culture taking the West and its churches by storm. All across North America, Christian churches have unknowingly encouraged occult beliefs and practices far removed from what the Bible teaches. This unfortunate reality is intrinsically linked to the popularity increase of New Age spirituality in the twenty-first century, and we've been so influenced by its integration into our society that we have become blind to recognizing, and preventing, the effects of this mainstream, pop-culture heresy, even within the walls of God's house. In this imperative and timely book, former New-Agers Josh Peck and Steven Bancarz reveal: • What perverse dealings the authors personally witnessed from their experiences deep within the New Age Movement • Which real and dangerous supernatural force lurks behind the New Age • Facts that reveal how the occult has worked its way into modern, evangelical churches • Connections between New Ageism, fallen angels, extraterrestrials, and the Nephilim • Solid, historical associations between the New Age Movement and Satanism • What false-Christ and false-gospel doctrines are being pushed by New Age teachers • How the central deity of the New Age is a thinly veiled version of Leviathan, the ancient personification of chaos • How quantum physics is being manipulated to promote the New Age agenda • How to reach friends and family lost in the New Age movement • Warning signs and influences of the occult in your life and home, and what to do if you are under spiritual attack • Our lives, our relationships, our world, and our churches all depend on our willingness to take action against the deceit of New Age spirituality. The first step toward prevention is knowledge. Now is the time to be informed.

Confronting Familiar Spirits

Counterfeits to the Holy Spirit *Impact Christian Books*

Two human personalities can form a relationship, and, through communication and communion, that relationship can be enhanced. Likewise, a person can form and develop a close relationship with an evil spirit, whether for knowledge or gain. When a person forms a relationship with an evil spirit, he then

has a familiar spirit. Familiar spirits are counterfeits of the Holy Spirit's work. Anyone who has fellowship with God, and who is led by the Holy Spirit, does not need a familiar spirit, for God provides him with all that he needs. As with anything occult, involvement with familiar spirits creates spiritual defilement: "Regard not them that have familiar spirits...to be defiled by them: I am the Lord your God." Lev. 19:31

The Secrets to Deliverance

Defeat the Toughest Cases of Demonic Bondage *Charisma Media*

In recent years deliverance ministry has become increasingly difficult. Even the most seasoned ministers struggle to locate and expel demons. Individuals think they're free from demonic bondage only to be blindsided by another oppressive force. But for New York pastor Alexander Pagani, one experience changed everything. He realized how demons lodge themselves in hidden areas of our lives. First, a demon can quite literally reside in an area of the body. Second, demons can live deep in the soul and remain undetected. Deliverance is like a labyrinth with trap doors, backward stairs, and secret rooms. In *The Secrets to Deliverance* Pagani shares biblical strategies and his own experiences for evicting the demons in the "rooms" of your soul and body. Featuring prayers and declarations, this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you.
