The Allstons of Chicora Wood

Wealth, Honor, and Gentility in the South Carolina Lowcountry *LSU Press*

William Kauffman Scarborough's absorbing biography, *The Allstons of Chicora Wood*, chronicles the history of a South Carolina planter family from the opulent antebellum years through the trauma of the Civil War and postwar period. Scarborough's examination of this extraordinarily enterprising family focuses on patriarch Robert R. F. W. Allston, his wife Adele Petigru Allston, and their daughter Elizabeth Allston Pringle Scarborough. Scarborough shows

how Allston, in the four decades before the Civil War, converted a small patrimony into a Lowcountry agricultural empire of seven rice plantations, all the while earning an international reputation for the quality of his rice and his expertise. Scarborough also examines Allston's twenty-eight-year career in the state legislature and as governor from 1856 to 1858. Upon his death in 1864, Robert Allston's wife of thirty-two years, Adele, found herself at the head of the family. Scarborough traces how she successfully kept the family plantations afloat in the postwar years through a series of decisions that exhibited her astute business judgment and remarkable strength of character. In the next generation, one of the Allstons' five children followed a similar path.

Elizabeth "Bessie" Allston took over management of the remaining family plantations upon the death of her husband and, in order to pay off the plantation mortgages, embarked on a highly successful literary career. Bessie authored two books, the first treating her experiences as a woman rice planter and the second describing her childhood before the war. A major contribution to southern history, *The Allstons of Chicora Wood* provides a fascinating look at a prominent southern family that survived the traumas of war and challenges of Reconstruction.

In Sensorium

Notes for My People *HarperCollins*

Fragrance has long been used to mark

who is civilized and who is barbaric, who is pure and who is polluted, who is free and who is damned— Focusing their gaze on our most primordial sense, writer and perfumer Tanaïs weaves a brilliant and expansive memoir, a reckoning that offers a critical, alternate history of South Asia from an American Bangladeshi Muslim femme perspective. From stories of their childhood in the South, Midwest, and New York; to transcendent experiences with lovers, psychedelics, and fragrances; to trips home to their motherland, Tanaïs builds a universe of memories and scent: a sensorium. Alongside their personal history, and at the very heart of this work, is an interrogation of the ancient violence of caste, rape culture, patriarchy, war, and the inherited

ancestral trauma of being from a lush land constantly denuded, a land still threatened and disappearing because of colonization, capitalism, and climate change. Structured like a perfume—moving from base to heart to head notes—IN SENSORIUM interlaces eons of South Asian perfume history, erotic and religious texts, survivor testimonies, and material culture with memoir. In Sensorium is archive and art, illuminating the great crises of our time with the language of Liberation.

Adele Briscoe Looscan

Daughter of the Republic *Texas A&M University Press*

Adele Briscoe Looscan was the first woman president of the Texas State

Historical Association, the longest-serving president of the association (1915–1925), and a remarkable individual. Daughter of Andrew Briscoe, signer of the Texas Declaration of Independence, and granddaughter of John Richardson Harris, founder of Harrisburg, Texas, she was shaped and motivated by her heritage throughout her life. Adele Looscan was a woman of her time, yet she flourished in the society of both men and women, earning the respect of the former as an astute businesswoman and the admiration of the latter for her leadership and accomplishments. As a clubwoman, she built an impressive résumé: charter member of the Texas State Historical Association; member of the Daughters of the American Revolution, United

Daughters of the Confederacy, Daughters of the Republic of Texas, and the Texas Woman's Press Association; president of the Houston City Federation of Women's Clubs; and vice president of the Texas Federation of Women's Clubs in its first year. She organized the Ladies' Reading Club of Houston in 1885 and was instrumental in founding other literary clubs years before the organization of the Texas Federation. Her contributions to Texas history appeared in many newspapers and in the Southwestern Historical Quarterly. She used her influence to encourage public education and the preservation of historic landmarks and actively advocated for a state library, archives, and museum. Her story is valuable and compelling for what it reveals about

women and culture in nineteenth- and early twentieth-century Texas and for what it reveals about the nature, origins, and shaping of Texas's modern identity.

The Jewels of Kinfairlie Boxed Set*Deborah A. Cooke*

Four magical medieval romances from the “Queen of Medieval Romance”, Claire Delacroix. Meet the siblings in the mischievous and loving family at Kinfairlie and follow their adventures in pursuit of true love. In *The Beauty Bride*, Madeline is appalled by her older brother’s determination to see her wed against her will. When he auctions her hand to an outlawed mercenary, she flees them both, certain that her fate cannot be worse. But Rhys FitzHenry is not a man to abandon what he holds dear, and Madeline’s proud beauty has captured his heart. Can a rough knight enchant her with stories and convince her to be his wife in truth, or will his enemies have their vengeance first? In *The Rose Red Bride*, Vivienne is

convinced that only destiny could bring such a wondrous secret lover to her chamber, but with morning's light, her lover abducts her. Erik knows that justice can only be gained from the Lammergeier with force, especially as the fate of his young daughters hangs in the balance. Can Vivienne help this wounded highlander to regain his legacy, and win his heart for her own? In *The Snow White Bride*, Eleanor seeks sanctuary at Kinfairlie on Christmas Eve. The Laird of Kinfairlie's sisters decide that the beautiful widow will be the perfect match for their brother. Alexander's heart is quickly lost, but as Eleanor's secrets are revealed, he fears he has trusted too much too soon. Will Eleanor's past jeopardize the future of this knight who has claimed her heart, or

can she save him from the peril that follows her? This digital boxed set includes all three medieval romances in the *Jewels of Kinfairlie* trilogy – *The Beauty Bride*, *The Rose Red Bride*, *The Snow White Bride* – as well as the linked short story, *The Ballad of Rosamunde*. ***** I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/> 1. *The Rogues of Ravensmuir* This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than

the books in subsequent series. 1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie. 2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-

mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre. 3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story. II. The Jewels of

Kinfairlie At the end of *The Warrior*, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love. 1. *The Beauty Bride* Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I

love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets. 2. *The Rose Red Bride* Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too. 3. *The Snow White Bride* It's

Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride? 4. The Ballad of Rosamunde Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride. In this short story, a friends-to-lovers story,

Padraig rescues Rosamunde, his valor making her realize that she loves him, too. III. The True Love Brides At the end of The Snow White Bride, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well. 1. The Renegade's Heart Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal

maiden defeat an immortal queen by winning Murdoch's love for her own? 2. The Highlander's Curse Garrett is cursed to hear the thoughts of others as clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves? 3. The Frost Maiden's Kiss Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing

of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price. 4. The Warrior's Prize The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her. IV. The Brides of Inverfyre There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be

married. 1. The Mercenary's Bride This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve. 2. The Runaway Bride Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one

glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too. There are Family Trees for Inverfyre, Ravensmuir and Kinfairlie available as free downloads in my online store. The Tree Forager *Watkins Media Limited*

Aimed at tree lovers of all ages, this beautifully illustrated handbook is the first guide to foraging specifically from trees, looking at all the incredible things we can get and make from them, from food and remedies to toys, whistles and ink. Foraging is one of the fastest-growing nature-related pastimes in the UK and US. There are many books about foraging but this is the only one that focuses on what is arguably everyone's favourite plant - trees! It profiles 40 incredible trees from the UK and US - from apple, ash and bay to walnut,

willow and yew, gorgeously illustrated with watercolour, pen and ink botanical illustrations. In her humorous, inspiring and warm text, Adele explains how we can forage from our trees, not only for food, but also for home remedies, for ingredients to use in cocktails and ferments, and for materials to make toys, musical instruments and other useful things. Did you know that you can grind acorns into flour to make pancakes, for example, or use oak galls for ink? Or that Willow can be used for weaving; ash, hazel and oak are all good for making charcoal. Packed full of recipes and things to do, there is also a sprinkling of folklore and superstition, as well as helpful recognition tips. Overall it traces the fascinating story of the intimate relationship between

humankind and our trees.
