Problem and Solution - Scholastic

Solutions stories should begin with a focus on the effective intervention, but it is necessary to mention the problem. The question is, if the public and policymakers are so overwhelmed when they hear about social problems, how do we talk about it without derailing our communication? The key lies in how we define the problem in

our solutions narrative.

How to Advocate Through Stories: Tell the Solutions Story

...

The problem and solution text structure may seem like it would be easy to recognize, but it can be moderately difficult to identify because it is frequently confused with the cause and effect pattern of organization, as they both have relational structures; however, if you read the passage and look specifically for both a problem and a solution ...
