The Hours / Mrs. Dalloway

A Novel Picador

Michael Cunningham brings together his Pulitzer Prize-winning novel with the masterpiece that inspired it, Virginia Woolf's Mrs. Dalloway. In The Hours, the acclaimed author Michael Cunningham draws inventively on the life and work of Virginia Woolf and the story of her novel, Mrs. Dalloway, to tell the story of a group of contemporary characters struggling with the conflicting claims of love and inheritance, hope and despair. In this edition, Cunningham brings his own Pulitzer Prize-winning novel together with Woolf's masterpiece,

which has long been hailed as a groundbreaking work of literary fiction and one of the finest novels written in English. The two novels, published side by side with a new introduction by Cunningham, display the extent of their affinity, and each illuminates new facets of the other in this joint volume. In his introduction, Cunningham re-creates the wonderment of his first encounter with Mrs. Dalloway at fifteen—as he writes, “I was lost. I was gone. I never recovered.” With this edition, Cunningham allows us to disappear into the world of Woolf and into his own brilliant mind.

Specimen Days

A Novel *Farrar, Straus and Giroux*

In each section of Michael Cunningham's bold new novel, his first since *The Hours*, we encounter the same group of characters: a young boy, an older man, and a young woman. “In the Machine” is a ghost story that takes place at the height of the industrial revolution, as human beings confront the alienating realities of the new machine age. “The Children's Crusade,” set in the early twenty-first century, plays with the conventions of the noir thriller as it tracks the pursuit of a terrorist band that is detonating bombs, seemingly at random, around the city. The third part, “Like Beauty,” evokes a New York 150 years into the future, when the city is all but overwhelmed by refugees from the first inhabited planet to be contacted by the people of Earth. Presiding over each episode of this interrelated whole is the prophetic figure of the poet Walt Whitman, who promised his future readers, “It avails not, neither time or place . . . I am with you, and know how it is.” *Specimen Days* is a genre-bending, haunting, and transformative ode to life in our greatest city and a meditation on the direction and meaning of America's destiny. It is a work of surpassing power and beauty by one of the most original and daring writers at work today.

By Nightfall

A Novel *Farrar, Straus and Giroux*

Peter and Rebecca Harris: mid-forties denizens of Manhattan's SoHo, nearing the apogee of committed careers in the arts—he a dealer, she an editor. With a spacious loft, a college-age daughter in Boston, and lively friends, they are admirable, enviable contemporary

urbanites with every reason, it seems, to be happy. Then Rebecca's much younger look-alike brother, Ethan (known in the family as Mizzy, "the mistake"), shows up for a visit. A beautiful, beguiling twenty-three-year-old with a history of drug problems, Mizzy is wayward, at loose ends, looking for direction. And in his presence, Peter finds himself questioning his artists, their work, his career—the entire world he has so carefully constructed. Like his legendary, Pulitzer Prize-winning novel, *The Hours*, Michael Cunningham's masterly new novel is a heartbreaking look at the way we live now. Full of shocks and aftershocks, it makes us think and feel deeply about the uses and meaning of beauty and the place of love in our lives.

Flesh and Blood *Macmillan*

Follows the Stassos family through four generations of ambition, love, violence, and change, focusing on the turbulent lives of the Stassos children

A Home at the End of the World

A Novel *Farrar, Straus and Giroux*

From Michael Cunningham, the Pulitzer Prize-winning author of *The Hours*, comes this widely praised novel of two boyhood friends: Jonathan, lonely, introspective, and unsure of himself; and Bobby, hip, dark, and inarticulate. In New York after college, Bobby moves in with Jonathan and his roommate, Clare, a veteran of the city's erotic wars. Bobby and Clare fall in love, scuttling the plans of Jonathan, who is gay, to father Clare's child. Then, when Clare and Bobby have a baby, the three move to a small house upstate to raise "their" child together and, with an odd friend, Alice, create a new kind of family. *A Home at the End of*

the World masterfully depicts the charged, fragile relationships of urban life today.

A Wild Swan

And Other Tales *Farrar, Straus and Giroux*

Fairy tales for our times from the Pulitzer Prize-winning author of *The Hours* A poisoned apple and a monkey's paw with the power to change fate; a girl whose extraordinarily long hair causes catastrophe; a man with one human arm and one swan's wing; and a house deep in the forest, constructed of gumdrops and gingerbread, vanilla frosting and boiled sugar. In *A Wild Swan and Other Tales*, the people and the talismans of lands far, far away—the mythic figures of our childhoods and the source of so much of our wonder—are transformed by Michael Cunningham into stories of sublime revelation. Here are the moments that our fairy tales forgot or deliberately concealed: the years after a spell is broken, the rapturous instant of a miracle unexpectedly realized, or the fate of a prince only half cured of a curse. The Beast stands ahead of you in line at the convenience store, buying smokes and a Slim Jim, his devouring smile aimed at the cashier. A malformed little man with a knack for minor acts of wizardry goes to disastrous lengths to procure a child. A loutish and lazy Jack prefers living in his mother's basement to getting a job, until the day he trades a cow for a handful of magic beans. Reimagined by one of the most gifted storytellers of his generation, and exquisitely illustrated by Yuko Shimizu, rarely have our bedtime stories been this dark, this perverse, or this true.

Virginia Woolf as a Character in

Michael Cunningham's THE HOURS *GRIN Verlag*

Seminar paper from the year 2004 in the subject English Language and Literature Studies - Literature, grade: 3,0, University of Paderborn (Anglistik und Amerikanistik), course: Virginia Woolf's Mrs. Dalloway and Two Recent Re-Writes, language: English, abstract: In this term paper I will show how a real person - Virginia Woolf - is presented as a fictional character in Michael Cunningham's *The Hours*. The title he chose for his book is the working title of Virginia Woolf's novel *Mrs Dalloway*. Cunningham's composed his work is composed of three interlacing parts, entitled "Mrs Woolf", "Mrs Dalloway" and "Mrs Brown". This fact hints at the possibility of his wanting to point out some relations between the authoress and her fictive offspring. To get a most objective picture of how Virginia Woolf really was, I also used her diary edited by Anne Oliver Bell, and gave the information derived from there priority in completing this term paper. Furthermore, I will compare Michael Cunningham's version of Virginia Woolf with descriptions of her by people that were close to her: Virginia's husband Leonard Woolf and her nephew Quentin Bell. When comparing Cunningham's novel with Virginia Woolf's diary I found that there were so many interesting points I was reluctant to suppress that I decided to shorten my inquiries into the other two books in order not to go beyond a reasonable volume of this paper.

The Snow Queen

A Novel Farrar, Straus and Giroux

A darkly luminous new novel from the Pulitzer Prize-winning author of *The*

Hours Michael Cunningham's luminous novel begins with a vision. It's November 2004. Barrett Meeks, having lost love yet again, is walking through Central Park when he is inspired to look up at the sky; there he sees a pale, translucent light that seems to regard him in a distinctly godlike way. Barrett doesn't believe in visions—or in God—but he can't deny what he's seen. At the same time, in the not-quite-gentrified Bushwick neighborhood of Brooklyn, Tyler, Barrett's older brother, a struggling musician, is trying—and failing—to write a wedding song for Beth, his wife-to-be, who is seriously ill. Tyler is determined to write a song that will be not merely a sentimental ballad but an enduring expression of love. Barrett, haunted by the light, turns unexpectedly to religion. Tyler grows increasingly convinced that only drugs can release his creative powers. Beth tries to face mortality with as much courage as she can summon. Cunningham follows the Meeks brothers as each travels down a different path in his search for transcendence. In subtle, lucid prose, he demonstrates a profound empathy for his conflicted characters and a singular understanding of what lies at the core of the human soul. *The Snow Queen*, beautiful and heartbreaking, comic and tragic, proves again that Cunningham is one of the great novelists of his generation.

The Hours

A Novel *Farrar, Straus and Giroux*

A daring, deeply affecting third novel by the author of *A Home at the End of the World* and *Flesh and Blood*. In *The Hours*, Michael Cunningham, widely praised as one of the most gifted writers of his generation, draws inventively on the life and work of Virginia Woolf to tell the story of a group of contemporary characters struggling with the conflicting claims of love and inheritance, hope and despair. The narrative of Woolf's last days before her suicide early in World War II counterpoints the fictional stories of Samuel, a famous poet whose life has been shadowed by his talented and

troubled mother, and his lifelong friend Clarissa, who strives to forge a balanced and rewarding life in spite of the demands of friends, lovers, and family. Passionate, profound, and deeply moving, this is Cunningham's most remarkable achievement to date. *The Hours* is the winner of the 1999 Pulitzer Prize for Fiction.

About Time

Fashion and Duration *Metropolitan Museum of Art*

"An hour, once it lodges in the queer element of the human spirit, may be stretched to fifty or a hundred times its clock length; on the other hand, an hour

may be accurately represented on the timepiece of the mind by one second."

—Virginia Woolf, *Orlando: A Biography*, 1928 *About Time: Fashion and Duration* traces the evolution of fashion, from 1870 to the present, through a linear timeline of iconic garments, each paired with an alternate design that jumps forward or backward in time. These unexpected pairings, which relate to one another through shape, motif, material, pattern, technique, or decoration, create a unique and disruptive fashion chronology that conflates notions of past, present, and future. Virginia Woolf serves as "ghost narrator": excerpts from her novels reflect on the passage of time with each subsequent plate pairing. A new short story by Michael Cunningham, winner of the Pulitzer Prize for Fiction for *The Hours*, recounts a day in the life of a woman over a time span of 150 years through her changing fashions. Scholar Theodore Martin analyzes theoretical responses to the nature of time, underscoring that time is not simply a sequence of historical events. And fashion photographer Nicholas Alan Cope illustrates 120 fashions with sublime black and-white photography. This stunning book reveals fashion's paradoxical connection to linear notions of time.

Where You Come From *Tin House Books*

A Washington Post, Chicago Review of Books, Kirkus, and Christian Science Monitor Best Book of the Month "Inventive, funny and moving." —The New York Times Book Review Translated from the German by Damion Searls Winner of the German Book Prize, Saša Stanišić's inventive and surprising novel asks: what makes us who we are? In August, 1992, a boy and his mother flee the war in Yugoslavia and arrive in Germany. Six months later, the boy's father joins them, bringing a brown suitcase, insomnia, and a scar on his thigh. Saša Stanišić's *Where You Come From* is a novel about this family, whose world is uprooted and remade by war: their history, their life before the conflict, and the years that followed their escape as they created a new life in a new country. Blending autofiction, fable, and choose-your-own-adventure, *Where You Come From* is set in a village where only thirteen people remain, in lost and made-up memories, in coincidences, in choices, and in a dragons' den. Translated by Damion Searls, it's a novel about homelands, both remembered and

imagined, lost and found. A book that playfully twists form and genre with wit and heart to explore questions that lie inside all of us: about language and shame, about arrival and making it just in time, about luck and death, about what role our origins and memories play in our lives.

Land's End

a walk through Provincetown *Random House*

Provincetown, one of the most idiosyncratic and extraordinary towns in the United States, perched on the sandy tip at the end of Cape Cod, has been amenable and intriguing to outsiders for as long as it has existed. 'It is one of the places in the world you can disappear into. It is the Morocco of North America, the New Orleans of the north.' Michael Cunningham first came to the place more than twenty years ago, falling in love with the haunted beauty of its seascape and the rambunctious charm of its denizens. As well as a summer mecca of stunning beaches, quirky shops, and wild nightlife, and a popular destination for gay men and lesbians, it is also a place of deep and enduring history, artistic and otherwise. Few towns have attracted such an impressive array of artists and writers - from Tennessee Williams to Eugene O'Neill, Mark Rothko to Robert Motherwell - who, like Cunningham, were attracted to this finger of land because it was...different. As we follow Cunningham on his various excursions through Provincetown and its surrounding landscape, we are drawn into its history, its mysteries, its peculiarities - places you won't read about in any conventional travel guide.

Laws for Creations *Picador*

In Walt Whitman, Michael Cunningham sees a poet whose vision of humanity is ecstatic, democratic, and sensuous. Just over a hundred years ago, Whitman celebrated America as it survived the Civil War, as it endured great poverty, and as it entered the Industrial Revolution, which would make it the most powerful nation on Earth. In *Specimen Days* Michael Cunningham makes Whitman's verse sing across time, and in *Laws for Creations* he celebrates what Whitman means to him, and how he appeared at the heart of his new novel. Just as the Pulitzer Prize-winning *The Hours* drew on the life and work of English novelist Virginia Woolf, *Specimen Days* lovingly features the work of American poet Walt Whitman. Bringing together extracts from Whitman's prodigious writings, including *Leaves of Grass* and his journal, *Specimen Days*, Michael Cunningham's *Laws for Creations* provides an introduction to one of America's greatest visionary poets from one of our greatest contemporary novelists.

Tinkers**10th Anniversary Edition** *Bellevue Literary Press*

Special edition of Paul Harding's Pulitzer Prize-winning debut novel—featuring a new foreword by Marilynne Robinson and book club extras inside In this deluxe tenth anniversary edition, Marilynne

Robinson introduces the beautiful novel *Tinkers*, which begins with an old man who lies dying. As time collapses into memory, he travels deep into his past, where he is reunited with his father and relives the wonder and pain of his impoverished New England youth. At once heartbreaking and life affirming, *Tinkers* is an elegiac meditation on love, loss, and the fierce beauty of nature. The story behind this New York Times bestselling debut novel—the first independently published Pulitzer Prize winner since *A Confederacy of Dunces* received the award nearly thirty years before—is as extraordinary as the elegant prose within it. Inspired by his family's history, Paul Harding began writing *Tinkers* when his rock band broke up. Following numerous rejections from large publishers, Harding was about to shelve the manuscript when Bellevue Literary Press offered a contract. After being accepted by BLP, but before it was even published, the novel developed a following among independent booksellers from coast to coast. Readers and critics soon fell in love, and it went on to receive the Pulitzer Prize, prompting the New York Times to declare the novel's remarkable success “the most dramatic literary Cinderella story of recent memory.” That story is still being written as readers across the country continue to discover this modern classic, which has now sold over half a million copies, proving once again that great literature has a thriving and passionate audience. Paul Harding is the author of two novels about multiple generations of a New England family: *Enon* and the Pulitzer Prize-winning *Tinkers*. He teaches at Stony Brook Southampton.

Taking Mrs. Dalloway a Little Further

Michael Cunningham's *The Hours*

The Annotated Mrs. Dalloway *Liveright Publishing*

Virginia Woolf's groundbreaking novel, in a lushly illustrated hardcover edition with illuminating commentary from a brilliant young Oxford scholar and critic. "Mrs. Dalloway said she would buy the flowers herself." So begins Virginia Woolf's much-beloved fourth novel. First published in 1925, *Mrs. Dalloway* has long been viewed not only as Woolf's masterpiece, but as a pivotal work of literary modernism and one of the most significant and influential novels of the twentieth century. In this visually powerful annotated edition, acclaimed Oxford don and literary critic Merve Emre gives us an authoritative version of this landmark novel, supporting it with generous commentary that reveals Woolf's aesthetic and political ambitions—in *Mrs. Dalloway* and beyond—as never before. *Mrs. Dalloway* famously takes place over the course of a single day in late June, its plot centering on the upper-class Londoner Clarissa Dalloway, who is preparing to throw a party that evening for the nation's elite. But the novel is complicated by Woolf's satire of the English social system, and by her groundbreaking representation of consciousness. The events of the novel flow through the minds and thoughts of Clarissa and her former lover Peter Walsh and others in their circle, but also through shopkeepers and servants, among others. Together Woolf's characters—each a jumble of memories and perceptions—create a broad portrait of a city and society transformed by the Great War in ways subtle but profound ways. No figure has been more directly shaped by the conflict than the disturbed

veteran Septimus Smith, who is plagued by hallucinations of a friend who died in battle, and who becomes the unexpected second hinge of the novel, alongside Clarissa, even though—in one of Woolf's many radical decisions—the two never meet. Emre's extensive introduction and annotations follow the evolution of Clarissa Dalloway—based on an apparently conventional but actually quite complex acquaintance of Woolf's—and Septimus Smith from earlier short stories and drafts of Mrs. Dalloway to their emergence into the distinctive forms devoted readers of the novel know so well. For Clarissa, Septimus, and her other creations, Woolf relied on the skill of "character reading," her technique for bridging the gap between life and fiction, reality and representation. As Emre writes, Woolf's "approach to representing character involved burrowing deep into the processes of consciousness, and, so submerged, illuminating the infinite variety of sensation and perception concealed therein. From these depths, she extracted an unlimited capacity for life." It is in Woolf's characters, fundamentally unknowable but fundamentally alive, that the enduring achievement of her art is most apparent. For decades, Woolf's rapturous style and vision of individual consciousness have challenged and inspired readers, novelists, and scholars alike. The Annotated Mrs. Dalloway, featuring 150 illustrations, draws on decades of Woolf scholarship as well as countless primary sources, including Woolf's private diaries and notes on writing. The result is not only a transporting edition of Mrs. Dalloway, but an essential volume for Woolf devotees and an incomparable gift to all lovers of literature.

A stirring mix of poignancy, drama and comedy." —The Washington Post Welcome to Empire Falls, a blue-collar town full of abandoned mills whose citizens surround themselves with the comforts and feuds provided by lifelong friends and neighbors and who find humor and hope in the most unlikely places, in this Pulitzer Prize-winning novel by Richard Russo. Miles Roby has been slinging burgers at the Empire Grill for 20 years, a job that cost him his

college education and much of his self-respect. What keeps him there? It could be his bright, sensitive daughter Tick, who needs all his help surviving the local high school. Or maybe it's Janine, Miles' soon-to-be ex-wife, who's taken up with a noxiously vain health-club proprietor. Or perhaps it's the imperious Francine Whiting, who owns everything in town—and seems to believe that “everything” includes Miles himself. In *Empire Falls* Richard Russo delves deep into the blue-collar heart of America in a work that overflows with hilarity, heartache, and grace.

The Hours

The Hours is David Hare's screen adaptation of Michael Cunningham's Pulitzer Prize-winning novel. In Richmond, England in 1923, Virginia Woolf is setting out to write the first words of her new book. In Los Angeles in 1951, a housewife, Laura Brown, is contemplating suicide. And in present-day New York, a hostess, Clarissa Vaughan, is planning a party for her friends. In extraordinary and ingenious ways, the film shows how a single day—and the novel *Mrs Dalloway*—inextricably link the lives of three very different women.

From one of contemporary literature's bestselling, critically acclaimed, and beloved authors: a “luminous” novel (Jennifer Egan, *The New York Times Book Review*) about a fiercely compelling young widow navigating grief, fear, and longing, and finding her own voice—“heartrendingly transcendent” (*The New York Times*, Janet Maslin). Set in Wexford, Ireland, Colm Tóibín's

magnificent seventh novel introduces the formidable, memorable, and deeply moving Nora Webster. Widowed at forty, with four children and not enough money, Nora has lost the love of her life, Maurice, the man who rescued her from the stifling world to which she was born. And now she fears she may be sucked back into it. Wounded, selfish, strong-willed, clinging to secrecy in a tiny community where everyone knows your business, Nora is drowning in her own sorrow and blind to the suffering of her young sons, who have lost their father. Yet she has moments of stunning insight and empathy, and when she begins to sing again, after decades, she finds solace, engagement, a haven—herself. Nora Webster “may actually be a perfect work of fiction” (*Los Angeles Times*), by a “beautiful and daring” writer (*The New York Times Book Review*) at the zenith of his career, able to “sneak up on readers and capture their imaginations” (*USA TODAY*). “Miraculous...Tóibín portrays Nora with tremendous sympathy and understanding” (Ron Charles, *The Washington Post*).

The Three Mothers

How the Mothers of Martin Luther King, Jr., Malcolm X, and James Baldwin Shaped a Nation *Flatiron Books*

"Tubbs' connection to these women is palpable on the page — as both a mother and a scholar of the impact Black motherhood has had on America. Through Tubbs' writing, Berdis, Alberta, and Louise's stories sing. Theirs is a history forgotten that begs to be told, and Tubbs tells it brilliantly." —Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* and National Book Award winner *Stamped from the Beginning* Much has been written about Berdis Baldwin's son James, about Alberta King's son Martin Luther, and Louise Little's son Malcolm.

But virtually nothing has been said about the extraordinary women who raised them. In her groundbreaking and essential debut *The Three Mothers*, scholar Anna Malaika Tubbs celebrates Black motherhood by telling the story of the three women who raised and shaped some of America's most pivotal heroes. These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning—from Louise teaching her children about their activist roots, to Berdis encouraging James to express himself through writing, to Alberta basing all of her lessons in faith and social justice. These women used their strength and motherhood to push their

children toward greatness, all with a conviction that every human being deserves dignity and respect despite the rampant discrimination they faced. These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons, even when these beliefs flew in the face of America's racist practices and led to ramifications for all three families' safety. The fight for equal justice and dignity came above all else for the three mothers. These women, their similarities and differences, as individuals and as mothers, represent a piece of history left untold and a celebration of Black motherhood long overdue.

The Lady in the Looking Glass *Penguin UK*

'People should not leave looking-glasses hanging in their rooms any more than they should leave open cheque books or letters confessing some hideous crime.' 'If she concealed so much and knew so much one must prize her open with the first tool that came to hand - the imagination.' Virginia Woolf's writing tested the boundaries of modern fiction, exploring the depths of human consciousness and creating a new language of sensation and thought. Sometimes impressionistic, sometimes experimental, sometimes brutally cruel, sometimes surprisingly warm and funny, these five stories describe love lost, friendships formed and lives questioned. This book includes *The Lady in the Looking Glass*, *A Society*, *The Mark on the Wall*, *Solid Objects* and *Lappin and Lapinova*.
