Olympic Pride, American Prejudice

The Untold Story of 18 African Americans Who Defied Jim Crow and Adolf Hitler to Compete in the 1936 Berlin Olympics *Simon and Schuster*
In this "must-read for anyone concerned with race, sports, and politics in America" (William C. Rhoden, New York Times bestselling author), the inspirational and largely unknown true story of the eighteen African American athletes who competed in the 1936 Berlin Olympic Games, defying the racism of both Nazi Germany and the Jim Crow South. Set against the turbulent backdrop of a segregated United States, sixteen Black men and two Black women are torn between boycotting the Olympic Games in Nazi Germany or participating. If they go, they would represent a country that considered them second-class citizens and would compete amid a strong undercurrent of Aryan superiority that considered them inferior. Yet, if they stayed, would they ever have a chance to prove them wrong on a global stage? Five athletes, full of discipline and heart, guide you through this harrowing and inspiring journey. There's a young and feisty Tidye Pickett from Chicago, whose lithe speed makes her the first African American woman to compete in the Olympic Games; a quiet Louise Stokes from Malden, Massachusetts, who breaks records across the Northeast with humble beginnings training on railroad tracks. We find Mack Robinson in Pasadena, California, setting an example for his younger brother, Jackie Robinson; and the unlikely competitor Archie Williams, a lanky

book-smart teen in Oakland takes home a gold medal. Then there's Ralph Metcalfe, born in Atlanta and raised in Chicago, who becomes the wise and fierce big brother of the group. From burning crosses set on the Robinsons's lawn to a Pennsylvania small town on fire with praise and parades when the athletes return from Berlin, *Olympic Pride, American Prejudice* has "done the world a favor by bringing into the sunlight the unknown story of eighteen black Olympians who should never be forgotten. This book is both beautiful and wrenching, and essential to understanding the rich history of African American athletes" (Kevin Merida, editor-in-chief of ESPN's *The Undeclared*).

The Song Index of the Enoch Pratt Free Library Routledge

The Song Index features over 150,000 citations that lead users to over 2,100 song books spanning more than a century, from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures, and traditions, ranging from ethnic to regional, from foreign to American, representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military, and classical, as well as hymns, spirituals, ballads, arias, choral symphonies, and other larger works. This comprehensive volume also includes a bibliography of the books indexed; an index of sources from which the songs originated; and an alphabetical composer index.

Highbrow/Lowbrow

The Emergence of Cultural Hierarchy in America Harvard University Press

Orchestral "Pops" Music

A Handbook Scarecrow Press

In this second edition of *Orchestral "Pops" Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful "pops" concert programming. With changes in publishers and agents, the discontinuation of the publication of certain original material or, worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral "pops" concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral "Pops" Music* includes at least 1,000 new title listings. *Orchestral "Pops" Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.

The Saga

May the Force Be with You * Parade of the Ewoks * Princess Leia's Theme * Star Wars (Main Theme) * The Throne Room * Victory Celebration * Yoda's Theme.

Akhada

The Authorized Biography of Mahavir Singh Phogat *Hachette India*

The inspiring story of one of India's greatest wrestling coaches. In 2000, after the Olympic Games closed with much fanfare in Sydney, legendary wrestler Mahavir Singh Phogat watched, dejected, as the prize reserved by his state government for the winner of an Olympic gold medal went unclaimed. Determined to never see this instance repeated, Phogat decided to do the unthinkable. Much to his neighbours' curiosity, he spent two days digging a pit in his courtyard and asked his young daughters and nieces to join him there at the break of dawn one day. Little did they know that this unusual command from their father would change their lives forever. Yet, each of their wins in the ring, every ambition he had for them, came at great personal cost. In the small village of Balali in Haryana, a state infamous for its practice of female foeticide and low literacy rates, Phogat had to battle not just deep social stigma and an apathetic government but also a disapproving family and personal tragedy to train the girls in his sport. Akhada tells the remarkable story of a man of tremendous fortitude, of a father who fought against all odds to give his daughters a future they could not have dreamed for themselves.

John Williams's Film Music

Jaws, Star Wars, Raiders of the Lost Ark, and the Return of the Classical Hollywood Music Style *University of Wisconsin Press*

John Williams is one of the most renowned film composers in history. He has penned unforgettable scores for Star Wars, the

Indiana Jones series, E.T. the Extra-Terrestrial, Jaws, Superman, and countless other films. Fans flock to his many concerts, and with forty-nine Academy Award nominations as of 2014, he is the second-most Oscar-nominated person after Walt Disney. Yet despite such critical acclaim and prestige, this is the first book in English on Williams's work and career. Combining accessible writing with thorough scholarship, and rigorous historical accounts with insightful readings, John Williams's Film Music explores why Williams is so important to the history of film music. Beginning with an overview of music from Hollywood's Golden Age (1933-58), Emilio Audissino traces the turning points of Williams's career and articulates how he revived the classical Hollywood musical style. This book charts each landmark of this musical restoration, with special attention to the scores for Jaws and Star Wars, Williams's work as conductor of the Boston Pops Orchestra, and a full film/music analysis of Raiders of the Lost Ark. The result is a precise, enlightening definition of Williams's "neoclassicism" and a grounded demonstration of his lasting importance, for both his compositions and his historical role in restoring part of the Hollywood tradition. Best Special Interest Books, selected by the American Association of School Librarians Best Books for General Audiences, selected by the Public Library Reviewers

Harry Potter Instrumental Solos Complete Film Series

Piano Accompaniment, Level 2-3 *Alfred Publishing Company*

This book is part of Alfred's Harry Potter Instrumental Solos series arranged for Flute, Clarinet, Alto Sax, Tenor Sax, Trumpet, Horn in F, Trombone, and optional Piano Accompaniment. All wind instrument arrangements are fully compatible and can be successfully performed as ensembles or solos by students who have completed the first book of any standard band method. A fully orchestrated accompaniment MP3 CD is provided, featuring each song as a live performance demo track followed by a play-along track. Titles: Double Trouble * Family Portrait * Farewell to Dobby * Fawkes the Phoenix * Fireworks * Harry in Winter * Harry's Wondrous World * Hedwig's Theme * Hogwarts' Hymn * Hogwarts' March * Leaving Hogwarts * Lily's Theme * Obliviate * Statues * A Window to the Past * Wizard Wheezes.
