**Postmodern Times A
Christian Guide**

"Postmodern Times" is
a good summary of
postmodernity,
postmodernism, and
the relationship to, and
influence of, each of
these concepts on
contemporary
Christianity. Veith hits
the nail on the head in
his diagnosis of
postmodernism,
especially with
recognizing the trend
in Christianity (but
perhaps in religion in

general) toward
consumerism and
empty spirituality (lack
of truth).

Postmodern Times: A Christian Guide to Contemporary ...

"An ideal guide for Christians who don't want to be like the

notorious military strategist preparing to fight the last war instead of the next one.” —Herbert Schlossberg, author, *Idols for Destruction* “Pinpoints the strengths and weaknesses of postmodern thought and points the way for Christians to take advantage of both.”

**Postmodern Times:
A Christian Guide to
Contemporary ...**

Postmodern thought's ability to embrace paradox without tension leads postmodernists to instinctively understand certain aspects of our faith which the material, clinical mindset of the modern era has failed to adequately illuminate. This book is no condemnation of

postmodern thought, nor is it a postmodernist's apology; Vieth makes the distinction, for instance, between postmodernism and postmodern thought patterns, and posits that the latter lends itself to authentic, historic Christianity.
