Popular sovereignty is the principle that the authority of a state and its government are created and sustained by the consent of its people, through their elected representatives (rule by the people), who are the source of all political power. It is closely associated with social contract philosophers such as Thomas Hobbes, John Locke and Jean-Jacques Rousseau.

Popular sovereignty - Wikipedia

With private property being so limited, the state would need to apply very little force in order to lead the people. "The idea of the general will is at the heart of Rousseau's philosophy. The general will is not the will of the majority. Rather, it is the will of the political organism that he sees as an entity with a life of its own."
