Find helpful customer reviews and review ratings for The Mindfulness Colouring Book: Anti-stress Art Therapy for Busy People at Amazon.com. Read honest and unbiased product reviews from our users.

Amazon.co.uk:Customer reviews: The Mindfulness Colouring ...

A welcome change to have a small, pocket-sized format colouring book to slip into my handbag for idle moments. Good quality paper, printed both sides, so it feels less wasteful than those that print only one side on the premise that you get less show-through with felt tips, and nice designs mostly drawing on geometric patterns or images from nature, so very soothing.
