Regulating Corporate Human Rights Violations: Humanizing ...

The UN Human Rights Council (HRC) is currently developing a legally binding instrument on the human rights responsibilities of corporations. In its deliberations, the HRC can draw lessons from the record of the Organisation of Economic Co-operation and Development (OECD) on this issue. Under the OECD 'Guidelines', member states are obliged to set up National Contact Points (NCPs) responsible for addressing issues of implementation in specific instances of human rights violations.

Regulating corporate human rights violations

This chapter highlights why the current territorial model of regulating corporate human rights abuses is inadequate to deal effectively with modern violations of human rights by companies that operate at a transnational level. It is contended that a case can be made for extraterritorial regulation without doing too much violence to the well-established principles of international law.
