Boeing 737 Fault

Isolation Manual - dev.destinystatus.co m

The closest thing to the
quick reference
handbook for the 737
is the Cockpit
Companion by Bill
Bulfer (only for
reference and not to be
used in place of
current aircraft
manuals). The 737 has
an excellent fault
isolation manual /
trouble shooting
section if you compare
to the 146 so this is
usually your first port
of call. Hope this helps.
