The New Imperialism - David Harvey - Google Books

"The New Imperialism" ends with an appeal by Harvey for domestic American opposition to imperialism. The American empire is very likely to opt to become more aggressive in response to future obstacles to its power-expression, and will probably pursue its own growth until its very end.

The New Imperialism (Clarendon Lectures in Geography and ...

The upshot of David Harvey's The New Imperialism is that the new period in which we find ourselves in the world is not about territorial control, as in the days, for example, when the British Empire controlled so much of the world. Rather, the new imperialism is about economic control, particular control of resources.
