A Complete Guide to Faeries & Magical Beings *Weiser Books*

If you have ever believed in a world beyond the everyday, this is the book to help you find it. *A Complete Guide to Faeries and Magical Beings* is a wonderful companion for those who wish to tour an enchanted world. Cassandra Eason begins with the myths, legends, and real evidence surrounding the origins and

existence of fairies and then takes us on a journey throughout the world to introduce us to the many different varieties of these mysterious beings. From fairies to viking giants, selkies to gnomes, fey beings abound. In this spritely volume, Eason shares fascinating anecdotes of people who have actually seen them. And if you'd like to meet them yourself, Eason also provides simple techniques, exercises, and rituals to attract, find, and communicate with the little people. Hang silver bells by a window. Keep potted plants in your home. Or sit quietly between two oaks at dusk or dawn. Fairyland mirrors universal human issues: fortune versus misfortune, fate versus free will, perfection and imperfection, illusion and objective reality, different time scales, the existence of parallel dimensions, and the duality of human nature. Some people even believe that fairies are becoming more visible again, as they were in pre-industrial days, to remind us of the consequences of consumer society -- the danger of being seduced by our own versions of fairy gold. "If you want to be happy, be." -- Henry David Thoreau

Fairy Tale *Hachette UK*

Legendary storyteller Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher - for their world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was ten, and grief drove his dad to drink. Charlie learned how to

take care of himself - and his dad. Then, when Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. King's storytelling in *Fairy Tale* soars. This is a magnificent and terrifying tale about another world than ours, in which good is pitted against overwhelming evil, and a heroic boy - and his dog - must lead the battle.

Beyond Faery *Llewellyn Worldwide*

Beyond the faerie realms, all sorts of magical creatures lurk. This book explores some of the more fearsome beasts that have been known to meddle in human affairs. Join renowned fairy expert John T. Kruse as he reveals the secret lives of merfolk and mermaids, river sprites and kelpies, hags and banshees as well as hobs, goblins, bogies daemon dogs, and many more. These are not the cutesy fairies and kindly beings found in light entertainments. These are the magical creatures that tend to

terrify instead of help, and learning their ways may be just what you need to survive your own encounter with one of these other-world beasts.

The Mythology of Middle-earth

The detailed, scholarly study of Tolkien's myth of Middle-earth compares the themes, places, beings, and things in his writings to the historic myths that have evolved in many cultures

Fairies *Michael O'Mara Books*

Tales of fairies at the bottom of the garden are usually dismissed as fantasy, but many ordinary people claim to have encountered them. Fairy lore has a long history, deeply ingrained in the folk memory of many different peoples and cultures. Janet Bord's fascinating investigation of this unexplored aspect of the supernatural reveals where you might be expected to meet fairies, under what circumstances, and what they would look or sound like. The author investigates the strong links that exist between sightings of fairies and of creatures alighting from UFOs. Are fairies beings from other planets, fallen angels, or our primitive ancestors? Whatever the verdict, the evidence of fairies is surprisingly convincing.
