Hew Strachan is one of the world's foremost experts on the Great War of 1914-18. His ongoing three-volume history of the conflict, the first of which was published in 2001, is likely to become the standard academic reference work: Max Hastings called it 'one of the most impressive books of modern history in a generation', while Richard Holmes hailed it as a 'towering achievement'.

And, for the first time, it offers a truly global vision of a conflict which is often misconceived as a prolonged skirmish on the Western Front. Strachan argues convincingly that the war had become a 'world war' long before the involvement of the United States and the Russian Revolution of 1917. Far from being a 'European civil war', the conflict involved the colonial territories of European powers, and touched areas as far-flung as the Balkans, Africa and the Ottoman Empire.
