On the first day of kindergarten, your child officially becomes a student! It's an exciting transition as young learners blend the playing and craft-making from preschool with more writing, reading, and math lessons. Kindergarteners get used to routines and learn how to be successful students for years to come.

The Guide to Kindergarten: Reading and Writing ...

To teach kindergarten math, I use a guided math format. Let's break down what is guided math, how to get started, and how to set up a system that works for you and ideas on how to think outside of your current curriculum. Teaching math in small groups like this has become my go-to way of teaching kindergarten math and I won't go back to doing it only whole group.
