The Valuation of Movie Theater Operations | frazier capital

When valuing a movie theater and reviewing the real estate component, you need to look at one of three things, depending upon whether the seller owns the facilities or leases: (1)The value of the facility (if the seller owns the building/buildings). (2)The value and duration of the lease (if the seller does not own the building).

Chapter 7: Asset Valuation (Real Estate)

Appraisers should consider certain factors when developing an opinion of value for a

movie theater, such as market area analysis and population demographics, as well as project development factors that can help valuation professionals determine the highest and best use of theater venues. Define and analyze the market area.
