Imaging - Whittington Hospital

Magnetic resonance imaging (MRI) is another form of imaging in use today. It is an alternative to computed tomography. With this procedure, a very powerful magnetic field generates detailed anatomic images. No x-rays are involved and it is extremely safe.

Diagnostic Imaging - Special Pet Topics - Veterinary Manual

Medical imaging encompasses different imaging modalities and processes to image the human body for diagnostic and treatment purposes and therefore plays an important role in initiatives to improve public health for all population groups. Furthermore, medical imaging is frequently justified in the follow-up of a disease already diagnosed and/or treated.

O stic imaging The WHO manual of diagnostic imaging

The NHS must radically overhaul the way that MRI, CT and other

diagnostic services are delivered, according to a major review commissioned by NHS England. Over the next five years the plan would see Community Diagnostic Hubs launched across the country, the imaging workforce expanded by 4,000 radiographers, a doubling of CT scanning capacity and a comprehensive equipment renewal programme.

Radical overhaul of imaging and diagnostic services ...

Often known as radiology or x-ray, Diagnostic Imaging Services covers a wide range of imaging or scanning tests that help in the investigation of patient symptoms or explore medical conditions. Professionals, known as radiographers, obtain these images or

scans using highly specialised scanners, and medical specialists called radiologists read the images. We provide imaging services to ...

Radiology and Imaging (Diagnostic Imaging Services ...

Radiographers complete a 3 year degree in diagnostic imaging. All radiographers must be registered with the Health Care Professions Council (HCPC) before they are allowed to work in the UK. In Radiology at UCLH we have a team of about 150 radiographers. A superintendent radiographer is in charge of most of the clinical areas e.g. CT, MRI, general X-ray, Emergency Imaging and Interventional ...
