1991 Album. Kamen. Robin Hood: Prince of Thieves: (Michael Kamen) When Warner Brothers built enormous anticipation in advance of their 1991 adaptation of the famous 'Robin Hood' tale, few could have predicted that a film with such a remarkable cast and high production values would be such a critical flop. Michael Kamen, known for his forays into mainstream (non-classical) music, while sticking with his full symphony, does some very good work here in evoking the moods of the movie. This is one of the few score-based soundtracks that could possibly stand on its own, though it's still relatively weak when compared to music written to stand alone.
