A View from the Bridge *Penguin UK*

Eddie Carbone is a longshoreman and a straightforward man, with a strong sense of decency and of honour. For Eddie, it's a privilege to take in his wife's cousins, straight off the boat from Italy. But, as his niece begins to fall for one of them, it's clear that it's not just, as Eddie claims, that he's too strange, too sissy, too careless for her, but that something bigger, deeper is wrong, and wrong inside Eddie, in a way he can't face. Something which threatens the happiness of their whole family.

A View from the Bridge: A Play in One Act

"A View From The Bridge" is a play by American playwright Arthur Miller that was first staged on September 29, 1955 as a one-act verse drama with "A Memory of Two Mondays" at the Coronet Theatre on Broadway. The play was unsuccessful and Miller subsequently revised the play to contain two acts.Einstein Books' edition of "A View From The Bridge" is the original one-act version of the play.The play is set in 1950s America, in an Italian American neighborhood near the Brooklyn Bridge in New York. It employs both a chorus and a narrator (Alfieri). Eddie, the tragic protagonist, has an improper love of, and almost obsession with, Catherine. Miller's interest in writing about the world of the New York docks originated with an unproduced screenplay that he developed with Elia Kazan in the early 1950s (entitled The Hook) that addressed corruption on the Brooklyn docks (Kazan would go on to direct On the Waterfront, which tackled the same subject). Miller said that he heard the basic account that developed into the plot of A View from the Bridge from a longshoreman, who related it to him as a true story.Einstein Books' edition of "A View From The Bridge" contains supplementary texts:* An excerpt from "A Memory Of Two Mondays", a one-act play by Arthur Miller.* An excerpt from "The Man Who Had All The Luck", and early play by Arthur Miller.* A few selected quotes of Arthur Miller.

Memories of Star Trek and a Life in Hollywood *Penguin*

"Essential reading for any Star Trek and movie fan." -trekmovie.com When Nicholas Meyer was asked to direct the troubled second Star Trek film, he was something less than a true believer. A bestselling author and successful director, he had never been a fan of the TV series. But as he began

to ponder the appeal of Kirk, Spock, et al., he realized that their story was a classical nautical adventure yarn transplanted into space and-armed with that insight-set out on his mission: to revitalize Trek.

A Play in 2 Acts

The Other Side of the Bridge *Dial Press*

From the author of the beloved #1 national bestseller Crow Lake comes an exceptional new novel of jealousy, rivalry and the dangerous power of obsession. Two brothers, Arthur and Jake Dunn, are the sons of a farmer in the mid-1930s, when life is tough and another world war is looming. Arthur is reticent, solid, dutiful and set to inherit the farm and his father's character; Jake is younger, attractive, mercurial and dangerous to know – the family misfit. When a beautiful young woman comes into the community, the fragile balance of sibling rivalry tips over the edge. Then there is Ian, the family's next generation, and far too sure he knows the difference between right and wrong. By now it is the fifties, and the world has changed—a little, but not enough. These two generations in the small town of Struan, Ontario, are tragically interlocked, linked by fate and community but separated by a war which devours its young men—its unimaginable horror reaching right into the heart of this remote corner of an empire. With her astonishing ability to turn the ratchet of tension slowly and delicately, Lawson builds their story to a shocking climax. Taut with apprehension, surprising us with moments of tenderness and humour, The Other Side of the Bridge is a compelling, humane and vividly evoked novel with an irresistible emotional undertow.

The Bridge of Beyond New York Review of Books

This is an intoxicating tale of love and wonder, mothers and daughters, spiritual values and the grim legacy of slavery on the French Antillean island of Guadeloupe. Here long-suffering Telumee tells her life story and tells us about the proud line of Lougandor women she continues to draw strength from. Time flows unevenly during the long hot blue days as the madness of the island swirls around the villages, and Telumee, raised in the shelter of wide skirts, must learn how to navigate the adversities of a peasant community, the ecstasies of love, and domestic realities while arriving at her own precious happiness. In the words of Toussine, the wise, tender grandmother who raises her, “Behind one pain there is another. Sorrow is a wave without end. But the horse mustn’t ride you, you must ride it.” A masterpiece of Caribbean literature, The Bridge of Beyond relates the triumph of a generous and hopeful spirit, while offering a gorgeously lush, imaginative depiction of the flora, landscape, and customs of Guadeloupe. Simone Schwarz-Bart’s incantatory prose, interwoven with Creole proverbs and lore, appears here in a remarkable translation by Barbara Bray.

Theory of Mind and the Triad of Perspectives on Autism and Asperger Syndrome

A View from the Bridge Jessica Kingsley Publishers

Inspired by the often uncomfortable interplay between autistic individuals, parents and professionals in understanding autistic spectrum conditions, Olga Bogdashina uses the concept of Theory of Mind (ToM) to consider these groups' different (and often conflicting) perspectives. ToM is the ability to imagine and make judgements about what others feel and think; its absence in autistic individuals is called 'mindblindness'. This book addresses the 'mindblindness' of people united in their interest in autism but divided by their different angles and perspectives. Divided into four parts, the book first defines autism, then the views of the three main groups working with it - autistic individuals, parents and professionals - under the headings of classifications, diagnosis, causes, development, theories and treatment. By comparing and reconciling the different perspectives in this way, the book helps each group to understand and predict each other's responses and behaviours. This enlightening and innovative book offers a unique way of 'stepping in each other's shoes' and is a valuable resource for all people living or working with autism.

Across That Bridge

Life Lessons and a Vision for Change Hachette Books

Winner of the NAACP Image Award for Outstanding Literary Work/Biography. In Across That Bridge, Congressman John Lewis draws from his experience as a prominent leader of the Civil Rights Movement to offer timeless wisdom, poignant recollections, and powerful principles for anyone interested in challenging injustices and inspiring real change toward a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis, a close confidant to Martin Luther King, Jr., have never been more relevant. Despite more than forty arrests, physical attacks, and serious injuries, John Lewis has remained a devoted advocate of the discipline and philosophy of nonviolence. Now, in an era in which the protest culture he helped forge has resurfaced as a force for change, Lewis' insights have never been more relevant. In this heartfelt book, Lewis explores the contributions that each generation must make to achieve change.

A Scenic Design of Arthur Miller's A View from the Bridge

A Practical Handbook for the Actor Vintage

This simple and essential book about the craft of acting describes a technique developed and refined by the authors, all of them young actors, in their work with Pulitzer Prize-winning playwright David Mamet, actor W. H. Macy, and director Gregory Mosher. A Practical Handbook for the Actor is written for any actor who has ever experienced the frustrations of acting classes that lacked clarity and objectivity, and that failed to provide a dependable set of tools. An actor's job, the authors state, is to "find a way to live truthfully under the imaginary circumstances of the play." The ways in which an actor can attain that truth form the substance of this eloquent book.
