Social Demography of South Africa: Advances and Emerging ...

Abstract. The purpose of this chapter is to provide a demographic profile of South Africa. First, we focus on the Cape because we suggest that the Cape experience has general implications for other settlements in South Africa such as Natal, Transvaal, and Orange Free State, and helps in understanding the emerging national context of racial classification in the census.

In 2015, the Gordon Institute of Business Science commissioned a study to understand our social enterprises in South Africa - what they looked like, how they worked, where they were based. The survey of over 400 social enterprises shows a fast growing sector, that works across sectors from health, to education, housing and social justice.

South Africa's social economy
