Al Franken, Giant of the Senate *Twelve*

From Senator Al Franken - #1 bestselling author and beloved SNL alum -- comes the story of an award-winning comedian who decided to run for office and then discovered why award-winning comedians tend not to do that. "Flips the classic born-in-a-shack rise to political office tale on its head. I skipped meals to read this book - also unusual - because every page was funny. It made me deliriously happy." -- Louise Erdrich, The New York Times This is a book about an unlikely campaign that had an even more improbable ending: the closest outcome in history and an unprecedented eight-month recount saga, which is pretty funny in retrospect. It's a book about what happens when the nation's foremost progressive satirist gets a chance to serve in the United States Senate and, defying the low expectations of the pundit class, actually turns out to be good at it. It's a book about our deeply polarized, frequently depressing, occasionally inspiring political culture, written from inside the belly of the beast. In this candid personal memoir, the honorable gentleman from Minnesota takes his army of loyal fans along with him from Saturday Night Live to the campaign trail, inside the halls of Congress, and behind the scenes of some of the most dramatic and/or hilarious moments of his new career in politics. Has Al Franken become a true Giant of the Senate? Franken asks readers to decide for themselves.

My Monticello *Henry Holt and Company*

“A badass debut by any measure—nimble, knowing, and electrifying.” —Colson Whitehead, Pulitzer Prize-winning author of The Nickel Boys and Harlem Shuffle "...My Monticello' is, quite simply, an extraordinary debut from a gifted writer with an unflinching view of history and what may come of it." — The Washington Post Winner of the Weatherford Award in Fiction A winner of 2022 Lillian Smith Book Awards A young woman descended from Thomas Jefferson and Sally Hemings driven from her neighborhood by a white militia. A university professor studying racism by conducting a secret social experiment on his own son. A single mother desperate to buy her first home even as the world hurtles toward catastrophe. Each fighting to survive in America. Tough-minded, vulnerable, and brave, Jocelyn Nicole Johnson’s precisely imagined debut explores burdened inheritances and extraordinary pursuits of belonging. Set in the near future, the eponymous novella, “My Monticello,” tells of a diverse group of Charlottesville neighbors fleeing violent white supremacists. Led by Da’Naisha, a young Black descendant of Thomas Jefferson and Sally Hemings, they seek refuge in Jefferson’s historic plantation home in a desperate attempt to outlive the long-foretold racial and environmental unravelling within the nation. In “Control Negro,” hailed by Roxane Gay as “one hell of story,” a university professor devotes himself to the study of racism and the development of ACMs (average American Caucasian males) by clinically observing his own son from birth in order to “painstakingly mark the route of this Black child too, one whom I could prove was so strikingly decent and true that America could not find fault in him unless we as a nation had projected it there.” Johnson’s characters all seek out home as a place and an internal state, whether in the form of a Nigerian widower who immigrates to a meager existence in the city of Alexandria, finding himself adrift; a young mixed-race woman who adopts a new tongue and name to escape the landscapes of rural Virginia and her family; or a single mother who seeks salvation through “Buying a House Ahead of the Apocalypse.” United by these characters’ relentless struggles against reality and fate, My Monticello is a formidable book that bears witness to this country’s legacies and announces the arrival of a wildly original new voice in American fiction.

This Savage Song *HarperCollins*

#1 New York Times Bestseller * An Amazon Best Book of the Year There’s no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, This Savage Song is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he’s one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who’s just been kicked out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August’s secret, and after a failed assassination attempt the pair must flee for their lives. In This Savage Song, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, A Darker Shade of Magic.
