The Legend Series • Jude Deveraux

I am a huge fan of Jude Deveraux. I love her dialogue, her witty characters, and the situations those characters get into. However, "Legend" was a little off beat for me. Time travel is always a little difficult for a writer I think, since there are so many outcomes you have to consider, and the chance that it may confuse the reader.

First of all the positives - good writing, well rounded characters as one comes to expect from Jude Deveraux. The time travel adds a great twist and is enjoyable, however for me the negatives were there were too many men who Kady might / might not love, too much going back and forth to Legend, and sadly after the midway point I couldn't wait to get to the end.
