This book straddles the disciplines of archaeology and social anthropology. Its 25 contributions (divided into 6 sections with separate introductions) successively scrutinise the concept of war in...

Warfare and Society: Archaeological and Social ...

The present book deals with the interrelationship between society and war seen through the analytical eyes of anthropologists and archaeologists. The opening quote - spoken by an informant to Torsten Kolind and published in his thesis about discursive practices in

Bosnia just after the war in 1992-95 – captures the problems we face when we study war.

Warfare and Society: archaeological and social ...

Synopsis. This book deals with the interrelationship between society and war seen through the analytical eyes of anthropologists and archaeologists. War is a ghastly thing, which unfortunately thrives almost everywhere in the world today. We need, therefore, to have a better understanding of what war does to people and their societies.

Warfare And Society Archaeological And Social ...

And despite entrenched traditions to the contrary, war cannot be comprehended in isolation from society. To better understand the complex relationship between war and society, the two dozen contributors to this volume employ a broad variety of archaeological and anthropological tools, drawing where appropriate on history, political science and philosophy.
