"This is War" features a solid collection of photos that are well presented. The book itself can serve as a coffee table book or fit on most shelves. Having a consistent quality, focus, and content, the pictures are clearly the work of one photographer (hence, the "narrative" claim in the subtitle). The photos dominate the text, and several pages of text give some additional insight and ...

It's the first photo of war to become iconic, and the Crimean War was the first war to be photographed. Unlike Fenton's other images, this is one of few that doesn't show any people. And more importantly – it's the only one that has the second version, which is what put it in the center of a controversy. The two versions are almost identical. They were taken from the same spot and ...

This Is War is the third studio album by American rock band Thirty Seconds to Mars, released on December 8, 2009 through Virgin Records and EMI. It was the band's first studio album in four years, after the breakthrough of their previous work, A Beautiful Lie (2005). The album was recorded over a span of two years, while the band was in the midst of a legal dispute with Virgin over an alleged ...

The first official attempts at war photography were made by the British government at the start of the Crimean War. In March 1854, Gilbert Elliott was commissioned to photograph views of the Russian fortifications along the coast of the Baltic Sea. Roger Fenton was the first official war photographer and the first to attempt a systematic coverage of war for the benefit of the public.
