Introducing Culture Identities Design For Museums Theaters ...

Exploring cultural identities through art. Cultural practices, especially the purposeful making of things, embody our values and, I would argue, are the basis of the good mental health of a society. These practices help contribute to an individual and collective sense of identity and citizenship. Art [including craft and design] is a kind of thinking/making which enables people to

form and develop their identity.

Books at Manic > graphic design > Introducing: Culture ...

Design and Culture have always been closely interrelated, but in many instances design is flaunted as the true measure of culture, rather than belonging to part of cultural context of the society. Design has become the embodiment of a larger process of creative 'culture-mongering' that has become a means to capture ideation, innovation and enterprise and made to stand for cultural identity.

Introducing Culture Identities: Design for Museums, Theaters and Cultural Institutions

Amazon.com: Customer reviews: Introducing Culture ...

The inclusion of personal and cultural iconography in design has the power to help students recover their cultural roots, develop and contextualize their identities, and design their worldview into existence. In this way, the design practice can redistribute power by valuing personal cultural narratives and interrupt cultural erasure.
