Chinese political
thought - Oxford
Reference. Chinese
classical thought was
directed primarily to
politics in the wider
sense, yet China
produced relatively

little systematic political philosophy. The Chinese cities of the Warring States period (481–221 bc) were not, like Athens, the home of maritime traders with wide experience of other cultures, but centres of Chinese acculturation of the surrounding areas.

Chinese political thought - Oxford Reference

This volume launches the translation of a work that describes the development of Chinese political thought from the time of Confucius in the late Chou era into the twentieth century.

History of Chinese Political Thought, Volume 1 | Princeton ...

In summary, the

history of China's traditional political thought displays a basically humanistic orientation, reflecting the central role accorded politics in that secular-minded civilization; it gives evidence of the cumulative growth and periodic intellectual vitality of the whole civilization, and in particular it is marked by China's obsessive consciousness of continuity, making its past remarkably pertinent to its present in all periods of history, up to and including the present.

Chinese Political Thought | Encyclopedia.com

In his rendering of the history of Chinese political thought, agents, thoughts, texts, political

contexts, and linguistic structures all affect each other in turn, and examples of each are picked at various points to illustrate the changing conceptions, and realities, of the Chinese political world.

Kim, A History of Chinese Political Thought, 2018 | US

...

Description. China's rapid rise as a regional and global power is one of the most important political developments of the twenty-first century. Yet the West still largely overlooks or oversimplifies the complex ideas and ideals that have shaped the country's national and international transformation from antiquity to the present day.

A History of Chinese Political Thought: Kim, Youngmin ...

Chinese history has alternated between periods of political unity and peace, and periods of war and failed statehood—the most recent being the Chinese Civil War(1927–1949). China

was occasionally dominated by steppe peoples, most of whom were eventually assimilated into the Han Chinese culture and population.

History of China - Wikipedia

China's rapid rise as a regional and global power is one of the most important political developments of the twenty-first century. Yet the West still largely overlooks or oversimplifies the complex ideas and ideals that have shaped China's national and international development from antiquity to the present day.

A History of Chinese Political Thought : Youngmin Kim ...

It is a system of moral, social, political, and religious thought that has had tremendous influence on Chinese history, thought, and culture down to the 20th century. Some Westerners have considered it to have been the "state religion" of imperial China because of its lasting influence on Asian culture.
