John Michael Greer's the Long Descent is a very valuable addition to the Peak Oil literature. He brings a unique deep historical perspective, combined with an ecological perspective on human societies. He really does present the long view, thinking ahead not just decades but centuries into the future.

What Is A Power Amp?

A power amp is the section of a guitar amplifier that is able to actually “amplify” sound. It comes after the preamp and after an amp’s effects loop (if it has one). So when it comes to your overall signal chain, the power amp is therefore one of the last stages to affect and influence your guitar’s sound.
