Missed call scams start by ringing your phone and hanging up so quickly that you can't answer the call in time. Your phone registers a missed call and you probably won't recognise the number. People will often then call the number back to find out who it is. Apart from being a nuisance, the missed call can lead to a scam in two ways . The number you call back may be redirected to a premium ...

Who called me? | United Kingdom's Free Reverse Phone Lookup

Tap the “Add” button (“+”) > “Make a call.” Enter the name or number of the contact you wish to call (i.e. your phone). Or tap “Dial” and input your number directly if it isn't stored as a contact. If this is an international call, enter the country code before dialing the number.
