Roma Barocca: History of an Architectonic Culture: Amazon ...

Roma Barocca comprises a complete history of the building activity in Rome from about 1600 to 1750. But it acquires a far broader interest because of the critical method which it applies to one of the key periods and centers in the history of architecture and urbanism. The discussion includes a broad summary of the urban policies and building programs of the popes, as well as an analytic history of the artistic culture of Rome as documented by the theoretical writings and architectural ...
