The Course in Miracles Experiment

A Starter Kit for Rewiring Your Mind (and Therefore the World) *Hay House, Inc*

ACIM, the Fun Version! A real-world rewrite of the lessons of A Course in Miracles by the #1 New York Times best-selling author of E-Squared. A Course in Miracles is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook-the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to

stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.

52 Ways to Live the Course in Miracles

Cultivate a Simpler, Slower, More Love-Filled Life *Red Wheel/Weiser*

The impact A Course In Miracles (ACIM) has had on Karen Casey's life is immeasurable. First introduced to ACIM during the early stages of sobriety when she hung on to Alcoholics Anonymous like her life depended on it (and, of course, it did), she yearned for something that could quiet her near constant anxiety. ACIM has done that for her, bringing her a simpler, softer, slower, and more loving life. "Writing a book of essays about the course, suggesting how one can practice it for personal benefit, is so pleasurable. Every word I write is a constant reminder to me of how to cultivate greater peace in my own life. What could be better than that? Nothing comes to mind, frankly." - from the introduction 52 Ways to Live the Course In Miracles takes readers on a journey through simple ideas and affirmations for meditation. Casey not only offers an explanation of the ideas, but also shares her own experiences with them - stumbles and all - offering proof of how helpful and practical they really are and showing that the goal isn't perfection, but rather progress toward creating a life of love and peace.

A COURSE in MIRACLES for DUMMIES: Volume I

Chapters #1-15 *Createspace Independent Pub*

The text of A Course in Miracles (ACIM) is difficult and mystifying for most readers. Both teachers and students struggle for many years with little success in unlocking the secrets to understanding this Course. They often abandon their studies and end up confused and discouraged. This ACIM for Dummies series cuts thorough the mystery of the Course's esoteric text and makes Jesus' message alive and accessible to the ordinary reader. The richness and simplicity of ACIM's message of freedom, joy and unconditional love awaits anyone who is willing to see things differently. The Course states that "Perception is a mirror, not a fact." Once decoded, it provides the formula that transforms and empowers the reader so that they are both free and capable of seeing things differently. You can exchange your fear-based thought system for the peace of God. Happiness is only a choice away and you can make that choice today. This is your time to shine. ACIM uses a unique terminology that references two different levels of being that are dominated by two opposing thought systems. This book demystifies the text by replacing the pronouns and unclear references with their meanings and clarifies the appropriate level associated with each passage. All antecedent

references made to ACIM's second edition are clearly noted in bold print for easy reference to the original text. Each text paragraph is then followed by an explanatory note to assist the reader in their own interpretation of the paragraph. These notes are designed to foster discussion and clarity, not to limit ideas and prevent individual interpretation. As such, ACIM for Dummies can be utilized as either a primary or secondary text for independent or group study. ACIM for Dummies is an excellent reference tool for those who seek a deeper level of understanding of the Course's teachings. This edition, A COURSE IN MIRACLES FOR DUMMIES: Volume I covers the text chapters #1-15. The complete edition of A COURSE IN MIRACLES FOR DUMMIES version covers the entire ACIM text which consists of 31 chapters. Because of publishing size restrictions, it is sold in paperback as two separate volumes. Volume I covers Chapters #1-15 of ACIM's text. Volume II covers Chapters #16-31 of ACIM's text. You can visit Tom Wakechild at his website: acourseinmiraclesfordummies.com. for additional materials. What instructors and students are saying about the clarity and ease of understanding that is found in A Course in Miracles for Dummies. "This book provides an insightful student of the Course assistance in understanding the Text's passages. ACIM for Dummies is invaluable to clarify what various words refer to. For me the "notes" are more than worth the price of this book and could easily serve to support individual study or be the focus for a group discussion. I facilitated a group for 18 years in Colorado and am enthused about starting another group using ACIM for Dummies!" B. Kent "I bought A

Course in Miracles for Dummies and I cannot believe how wonderful it is and easy to understand ACIM! Sorry for my spelling in English as I am Spanish." F. Perez-Chies "I have been studying A Course in Miracles for a number of years without much success in truly understanding what I was reading. Then I came across ACIM for Dummies and began to understand the meaning behind the words. It has helped me to accept myself and everyone I meet with love and respect and most importantly, I have learned to "honor their journey." It has been a wonderful way to understand and interpret for myself the beautiful words of Jesus." N. Harwood "I've had over 20+ years experience working with ACIM. Tom's insightful writing of ACIM for Dummies has certainly shed some valuable new light on some of the more difficult passages. Tom is skilled at articulating the beautiful messages being transmitted throughout ACIM. Definitely a piece of work to have at your right hand while studying ACIM." T. Rice

Journey Through the Manual of A Course in Miracles *Foundation for a Course in Miracles*

The manual has its place in the curriculum of the Course by virtue of its role in explaining how we should teach this course, which means how we should learn it. Its purpose is to guide us in becoming teachers of God through demonstration. In one way or another, each section is about learning how to accomplish this. This line-by-line presentation of the manual is organized around two major themes and variations of these two themes, thus demonstrating through the use of this musical form the masterful way in which Jesus weaves together his message. The first theme unifies all of the seemingly disparate questions posed in the manual--that of separate versus shared interests. This theme is the core of the Course's concept of forgiveness. It is what makes healing possible, and is also the basis of the important topic in the text: the distinction between form and content. It

emphasizes that we are all the same, reflecting the much larger theme of the Oneness of God's Son, and his perfect unity with his Creator and Source. The second theme is equally important—in fact, it would not be possible to learn that our interests are shared without it. It is the key to the practice of the Course: asking the Holy Spirit for help. By asking help of our inner Teacher, we become aware of our wrong-minded thought system. In what the Course refers to as our right mind, the Holy Spirit gently corrects our misperceptions.

A Course in Miracles Workbook for Dummies *CreateSpace*

If your spiritual practice does not teach you how to respond appropriately to the changing circumstances in your life without compromising your spiritual values or losing your inner peace, what good is it? It is of little or no use. A Course in Miracles (ACIM) should be a practical course that helps you live a happier and self-fulfilled life today. Yet, for most, this remains an unfulfilled promise. Why? Because most people never complete the 365 daily Workbook Lessons associated with the text. The Workbook Lessons are designed to bypass the mind of your ego and open your heart. Yet, most either ignore, struggle or fail to grasp the true meaning of these lessons but you can change that. This book covers the 365 Daily Workbook Lessons. Each lesson is presented in "Dummies" format so that the richness of these lessons will become apparent, understandable and more importantly, practical. "Dummies" format demystifies the original workbook

lessons by replacing the pronouns and unclear references with their meanings. This clarifies the purpose or meaning of each lesson. All antecedent references made to ACIM's Workbook Lessons are clearly noted in bold print for easy reference to the original text. Each lesson is then followed by an explanatory note to assist the reader with a deeper understanding of the lesson. The notes are designed to foster discussion and clarity, not to limit ideas and prevent individual interpretation. As such, ACIM Workbook for Dummies can be utilized as either a primary or secondary text for independent or group study. The ACIM for Dummies Series is an excellent reference tool for those who seek a deeper level of understanding of A Course In Miracles' teachings. The ACIM for Dummies series cuts thorough the mystery of the Course's esoteric text and makes Jesus' message alive and accessible to the ordinary reader. The richness and simplicity of ACIM's message of freedom, joy, forgiveness and unconditional love awaits anyone who is willing to see things differently. You can exchange your fear-based thought system for the peace of God. Happiness is only a choice away and you can make that choice today. This is your time to shine. You no longer have any excuse not to complete these lessons and finish the Course. A special thanks to Jon Mundy who provided the forward for this book.
