Mother Teresa: Come Be My Light

The Private Writings of the "Saint of Calcutta" *Wheeler Publishing, Incorporated*

During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions. Her extraordinary contributions to the care of the sick, the dying, and thousands of others nobody else was prepared to look after has been recognized and acclaimed throughout the world. Little has been known, however, about her interior life. This collection of her writing and reflections sheds a light on Mother Teresa that reveals the depth and intensity of her holiness for the first time. Book jacket.

Come be My Light

The Revealing Private Writings of the Nobel Peace Prize Winner

During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions, and none. Her selfless commitment to the care of the sick and the dying, as well as to thousands of others who no one else was prepared to help, has been recognised and acclaimed throughout the world. Yet this impressive collection of her writings shows a different and unexpected picture of the Nobel Peace Prize winner. Her absolute conviction that she was doing God's will is well known but what is a revelation is the discovery that she fulfilled her mission in spite of feeling a chasm of spiritual emptiness within her, which lasted for decades. This book is a moving

chronicle of her spiritual journey and it reveals the secrets she shared only with her closest confidants. It also illustrates how the experience of an agonizing sense of loss need not hold anyone back from doing something extraordinary with their lives.

Mother Teresa: Come Be My Light *Image*

During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion. Little is known, however, about her own spiritual heights or her struggles. This collection of letters she wrote to her spiritual advisors over decades sheds light on Mother Teresa's interior life.

Mother Teresa

Come be My Light : the Private Writings of the "Saint of Calcutta" *Image Books*

Capturing the inner spiritual life of one of the twentieth century's most beloved religious figures, the private writings, reflections, and letters of Mother Teresa chronicle her spiritual journey, her dedication to charity, the trial of faith that tested and shaped her beliefs, and her contributions to the sick, the dying, and the forgotten. 60,000 first printing.

Soon Will Come the Light

A View from Inside the Autism Puzzle *Future Horizons*

Winner of the Autism Society of America's Literary Achievement Award, this heartwarming book was one of the first autobiographies to provide unique insight into the world of autism. Tom McKean grew up in a confusion of misdiagnosis, spending years in an institution and finally journeying into adulthood, seeking answers. He finally comes to a "working truce" with the neurotypical world and discovers he has various talents in fields such as computers and technical design, in addition to his passion for writing. His challenges, discoveries, and successes will move you as his poetry, songs, and humor delight you. Helpful chapters include: Leave My Home for a Home Interesting Associations in the Home I Re-Enter the World Discovering Autism What Autism Is To Me Professionals and More Ideas on Autism

Come into the Light *Wipf and Stock Publishers*

Tony Scully's poems in *Come into the Light* offer an outspoken conversation with the Gospels, arguably the most transformative teaching in our known history. The wisdom of the great masters among us, Jesus, the Buddha, and Mohammed, speak of universal compassion, love, and forgiveness. Jesus preaches that one will

find God, not in invoking what amounts to an anthropomorphic idol, but in searching one's own heart, as in his fundamental teaching, "the kingdom of God is within you" (Luke 17:21). Tony Scully's poems address Jesus, the central figure of the Gospels, with questioning, irreverence, and occasional confrontation. In his view, many of the stories, even that of the resurrection itself, hinge on miracles, reflecting earlier religions that expected gods to cure illnesses, raise the dead, and even to walk on water, rather than on the powers of compassion, love, and forgiveness that characterize Jesus. In the author's view, the heart of Jesus is proof enough of his transcendence.

All the Light We Cannot See

A Novel *Simon and Schuster*

A cloth bag containing 20 paperback copies of the title that may also include a folder with sign out sheets.

The Light: A Book of Wisdom

How to Lead an Enlightened Life Filled with Love, Joy, Truth, and Beauty *Red Wheel/Weiser*

This powerful book contains chapters by 22 of the world's leading luminaries in the field of personal development and spiritual transformation, including bestselling authors Neale Donald Walsch (*Conversations With God*) and Don Miguel Ruiz (*The Four Agreements*). Covering topics from co-creating a peaceful world, forgiveness, healing, and finding purpose and happiness, to chapters about health, well-being, destiny, and the mysteries of

kundalini, The Light also includes practical exercises and guidance, empowering readers to achieve their greatest potential.

THREE KINGDOMS *Lulu.com*

Hold On, the Light Will Come

And Other Lessons My Songs Have Taught Me *Deseret Book Company*

When a song connects with us on an almost molecular level, and we'd swear that whoever wrote that song either lived our life or read passages from our most personal journal entries, we discover that we're not as alone as we might have thought we were. Somebody else knows, or they couldn't have written that song in that particular way. Those songs tell us that we have something in common with their writers, but often it seems that the songwriters know more about us than we know about them. In *Hold On, the Light Will Come: And Other Lessons My Songs Have Taught Me*, Michael McLean lets us read the songwriter's most personal journal entries. We are invited behind the scenes to experience the parts of his life that led to more than twenty albums of songs about hope and healing and holding on. Candid, insightful, hopeful, funny, and honest, this book gives an account of the lessons Michael's songs have taught him -- or rather, how writing his songs has helped him to process the lessons that life sooner or later tries to teach us all. Included is a CD with the songs he writes about so personally in this memoir. "By writing this book," says Michael, "I hope that people who've heard some

of my songs before will hear them differently. And maybe those who are hearing them for the first time will understand my belief that songwriters know that they don't really own the songs they've written ... they just heard them first." Book jacket.

Come to the Light

Reflections on the Gospel of John *Liturgical Press*

These profound and inspiring reflections on the Gospel of John will open to preachers, religious, and parish groups interested in Scripture, the treasures that the Fourth Gospel contains for the life of the world. Brendan Byrne draws on the insights in *Life Abounding*, his academic commentary on the Fourth Gospel, to enrich the understanding of non-scholars in *Come to the Light*. Discussion questions provided at the end of each talk serve as a starting point for the reader's personal contemplation.

Prophecy of Light - Unleashed *RJ Crayton*

Kady must learn to unleash the magic trapped inside her if she is to help the mage Pylum rescue her aunt. As Kady learns her way around the Temple of Light and takes classes to help her understand magic, she makes new friends like Jasper and learns more about the mysterious mage who helped her in book one: Akilah. Will Kady be able to unleash her power, and what else might she find when her bonds are broken?

The Power of Light

The Light Upon My Path (2nd Edition)

God is always talking to us: we cannot be separated from Him. These are only two of the meaningful revelations Tony Arnold shares with us in this remarkable book. What follows is a remarkable dialogue between Tony and God: a dialogue about the creative powers of humans, our oneness with God, Heaven on earth, and love. As God leads Tony to new knowings and better ways of living, the reader is drawn along on a meaningful journey of discovery and letting go - letting go of fear and judgment in favor of peace and wisdom. There is wisdom here for every reader - for those who are lost and scared, for those searching for the meaning of life, and for those who simply want to be closer to God.

The Pursuit of Passion

Thoughts to Help You Navigate from the Darkest Hours to the Light of Inspiration *CreateSpace*

Has it• Been a rough day?• Been a rough year?• Been a rough career?Do you• Dream about that creative idea just beyond your grasp?• Feel trapped in a job that pays you just enough to survive?• Regret not finishing your music, photography or screenplay?• Wish you had more time, more money, more ability to get things done?If so, The Pursuit Of Passion is the book for you.A concise book of deep thought and meditation, The Pursuit Of Passion is one of those rare experiences that comes along only once in a great while.It is a treasury of thoughtful, insightful reminders that can be read in one sitting, or can be referred to daily, one page at a time.The book takes you on a journey from the darkest days of the 2009 Great Recession to a place of recovery, creativity, hope and passion."These writings came from a promise. Right before Memorial Day 2009, I met with my business coach Joe Stumpf. After 20 years as a commissioned loan officer, I had just lived through possibly the worst year ever in the business. My previous company had collapsed in the mortgage meltdown of 2008. During the previous 12 months my assistant had earned more money than I had. About 50% of the people in my industry were either out of work or actively looking for jobs in other areas of business. Things looked bleak, and there was no fun left. Work had become a painful grind with very little financial reward to show for all the time spent.I shared my total burn out in the business of 20 years with my coach. Frustrated by what my life had become, it became clear that something had to

give. Either I had to change jobs, or change my attitude. Maybe both! I promised to get up at 5:00 AM every day, meditate and journal, and focus on bringing passion back into every aspect of my life, my work, my family and my personal growth. Instead of going to work every day and having a pity party, I have decided to have a passion party.These writings (a sample of the 475+ entries from the website <http://passionparty09.blogspot.com>) are the outgrowth of that commitment. I hope they inspire you to find your passion, and that you enjoy reading them as much as I did writing them."-George Kahn"When a person integrates the practical and the artistic, the material and the spiritual, I listen. The world has more than enough disconnection; I am inspired by people who put things together. Real passion flows from these poems, the product of a mind and heart in synch."-Shmuel Klatzkin, Rabbi

Little Book of Light *CreateSpace*

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Daniel Light and the Exile of Aradon

A Journey of Magic and Mystery Through the Realms of the Crystal Orb

ABOUT BOOK FIVE: Daniel Light and the EXILE OF ARADON What if the person you came to care for most was the only one who stood between you and what you wanted most? The conquest for the eradication of the Dark has been taken up by the second

generation. Daniel's children, and the children of his associates are now embroiled in the great quest to rid the Realms of the Darkness. Daniel's eighteen-year-old daughter, Caelith, is on a quest: to distance herself from the ways of her father. On this quest she meets an outcast, a slightly younger man near her own age, who is magically prevented from going home. Together they form a union and Caelith is slowly turned back to the life, and politics and cause of her father, Daniel Gregoryson: The Prophecy. And also to securing the return of her companion, Evermon, to his homeland. But not before she is called upon to endure the trials that the Dark has in store for her friend and herself. A Kingdom in peril would fall to the youngest of three brothers, as the older Princes are off on quests of their own. The new Queen, the King's second wife, has other plans; promoting the rise of her own, foreign-born son to the Kingship. Unknown to the Queen, the Queen she replaced is being sought for secretly; as is the true identity of the new Queen. There is something not quite right about her. The Princess of Mirador, Daniel's daughter, self-exiled, seeks freedom from her impending royal responsibilities - for she is to be Queen there. Will it be exile for one Prince of Aradon, or will all three face replacement and banishment by an insanely jealous Queen? ABOUT THE SERIES: THE CHILDREN OF THE ORB A long time ago on a planet far away there lived The Race of Enchanters, beings of Light. As is ever the situation when Light is present, so, also, is Darkness. These Sorcerors, close kin to the Enchanters, seek to influence and destroy all that had been protected and created by the Light. Other magical beings and creatures inhabit these realms and are torn and divided by this constant battle between Light and Dark;

events and prophecies are ignored by the Light, The Dark, and the neutral; allegiances change and shift; power over all being the end result, for some. Then comes word of The Prophecy of Light: a being to come in the median of time to lead the Forces of Light to victory. Thus the stage is set in Colabos for Daniel Light and the Children of the Orb. STORY NOTES: The stories of Two Black Birds and The Waters Of Life (Brothers Grimm) loosely provide a basic framework on which to hang this re-imagined tale about The Children Of The Orb, which also alludes to the origin of the stories we know and love on Planet Earth as having possibly come from beyond our own Earthly experience. FROM LEICESTER BAY BOOKS

Returning to the Light *Createspace Independent Publishing Platform*

A gripping story of a father and son who have traveled together along the tragic road of addiction. Read about how the son's heroin habit affected his entire family. Learn how to deal with addiction in yourself and in a loved one. Be inspired by Divine intervention that served as guideposts along this treacherous journey. E Does Not Equal Mc Squared

This is an engaging book ready to take you on an afternoon voyage through the cosmos. You help with experiments and learn some of the processes that go into making up scientific hypotheses on relativity, the speed of light and other light

matters. Some humor is interjected to soften the dryness of the subject matter. Delightful illustrations will welcome you along for the fun. Come along for the ride and begin your adventure into light science. Find out why some ideas from days past are no longer considered correct and how that changes the way we will all look at the science of the stars in the future.

Becoming Zara

FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my

bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

Testify to the Light

The Spiritual Biography of Andy Gustafson *CreateSpace*

One December evening, Andy Gustafson came home to find his wife and children murdered-a nightmare that few can imagine surviving. Yet, in his anguish, he found a God who cried with him. Step by step, with the help of others and his faith practices, he recognized the Light that shines in the darkness, a light the darkness never completely overcomes. In time, with God's Grace, he once again found family and purpose, vocation and fulfillment, joy. His life became a testimony to the enduring Light of God and a shining example to inspire others. Andy encouraged people to find and tell their own faith stories, particularly those stories that begin with loss, rage, and despair. An appendix provides questions for small groups to explore Andy's life story and then their own experiences, discovering personal ways to Testify to the Light. "With the pace of a Grisham novel and the depth of Annie Dilliard, Testify to the Light follows the journey of one man as he moves from despair to hope. Andy Gustafson had it all: a loving wife, a growing family, a successful career, a place in his close-knit community. But when he returned home one evening to find his family brutally murdered, his world turned upside down and his journey out of that dark place began." Rev. Jane Willan, Pastor of First Congregational Church, Grafton, Mass, author of

Jump Start This Church!"

Remember Who You Truly Are *Createspace Independent Publishing Platform*

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy

of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

The Door Is Open *Createspace Independent Pub*

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment

and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

Stella Maris Speaks

Dolphin Wisdom for a New World

(black & white) After swimming with wild dolphins, Adena Tryon began receiving messages from angelic dolphin beings called Stella Maris (Starlights of the Sea). This book shares their light messages, dolphin wisdom, the medicine of the divine feminine, and healing blessings for humanity. Stella Maris first speaks as a collective. They explain the concept of Starseeds and speak of the Stella Maris High Council, which also includes Mother Mary, Quan Yin, and Queen A'Mara. Then, individual Stella Maris members share light messages, healing activations, and scrolls of affirmations. The book concludes with a Beauty Way invitation. Visionary art from Florencia Burton synchronizes with the words of Stella Maris, creating a truly transformative experience.

Fireproof Moth

A Missionary in Taiwan's White Terror *Sunbury Press Inc*

When convinced the secret police were going to arrange an "accident" to kill his friend, missionary Milo Thornberry decided he had no choice but to help well-known human rights leader Peng Ming-min escape from Taiwan. Years later Thornberry and his wife return to Taiwan only to be arrested as terrorists by the officials in Taiwan and subsequently blacklisted by the U.S. State Department. It was not until 2003 that Thornberry was recognized as a human rights activist by the newly democratic Taiwan and it was 2009 before both Thornberry and Peng discover the reason for an arrest that happened thirty eight years ago.

Put Some Shoes on

Transparency is vital to the building and strengthening of every relationship and every ministry. It allows people to see you as approachable and to feel safer when talking to you. Transparency is a gateway to trust, and trustworthiness is an important quality which people seek in a good, ministerial leader. They want to know: Is this person trustworthy? Is this person honest? How do I know I can talk to this person without fear of condemnation? It is with this in mind that Rohini Townsend approaches writing, friendships, ministry, and life itself. Her desire to see people healed and whole has led to a candor and openness that is sure to tug at the heartstrings of the despondent. Put Some Shoes On, is an emotional and gripping story of one little girl's journey through heartache, rejection, abuse, and turmoil. Chronicling her path from scared child to broken, rebellious teen to powerful, anointed woman of God, the author shares the most intimate

moments of her life with refreshing transparency and soul stirring honesty. It is not only a story of past hurts, it is a story of learning, growing and seeking a deeper relationship with God -- the steps and sacrifices that are required for that level of depth and connection to the Father. Raw, poignant, and insightful, *Put Some Shoes On* was written to heal. It was written with your salvation in mind. This is a story of overcoming and, while on that walk, discovering who you are, and more importantly, WHOSE you are. Every step you take was conceived in the mind of the Father to guide you towards recognizing the spiritual gifts He has placed in you. Be not weary in well doing. Do not allow your circumstances to define you. Do not be consumed by trials and heartache. Take your experiences and let God use them to mold you into a powerful Kingdom citizen. Put some shoes on and walk boldly in your Godly identity.

Deposit of Faith

How Can We Meet God Today?

In its two-thousand-year history, the Catholic Church remains an unchanging yet developing entity. Since the church's infancy, Catholic theologians have referenced the "deposit of faith," which in early years referred to the written or orally revealed doctrines that formed the backbone of church teaching. Through the centuries, the definition came to be understood as the word of God, delivered through Jesus Christ and passed on to his apostles. Still, the deposit included both oral and written traditions and provided moral direction. The Second Vatican Council brought about many changes in the church, and once

again, bishops and theologians addressed the deposit of faith. This invaluable concept came to be seen, not as mere dogma, but the expression of faith embodied in the words and deeds of Christ. The deposit is relevant to all elements of Catholic life: prayer, sacraments, and moral living. While the deposit has always addressed divine revelation, the post-Vatican II definition directs the faithful to think holistically. Hubert M. Sanders Jr.'s *Deposit of Faith* is intricate Catholic theology for the lay reader. It encourages Catholics to reach beyond dogma and written instructions to embrace the fullness of the Christian experience in all aspects of life.

Into the Light *Createspace Independent Publishing Platform*

Over the hills and far away, a man suddenly finds after being struck by lightning that he is no longer walking in the Cumbrian Fells but is somewhere else entirely. Where that is, however, he does not know. The hills and mountains, lush green forests and the sea pounding at the shore are all unfamiliar and seem to beckon to him, drawing him from the paths and into the land itself. Yet he has little time to familiarise himself with these tantalising new sights and sounds that call to him before an unfortunate accident ends with him destroying a lighthouse and soon after a trading vessel that belongs to a mysterious ruler known only as, "The Keel." Soon he is abducted by the shipwrecked crew and they decide to take him to their master to stand trial for the wanton destruction of his property. There is, however, one problem. The journey overland through the countryside that is a mystery to him will take weeks to cover, and the journey grows hazardous as they walk further across the

fertile green plains and mountains of a place he now knows to be called, "Felastia." It all started with the mysterious woman: the red-headed girl who would arrive at his place of work unannounced and ask to be fed. Yet she is more than she looks, for he cannot seem to either shake her from his thoughts, but neither can he find her. She seems to have vanished into thin air. Or has she? But there are others in this land that are waiting for him: mysterious spheres of light that seem to follow his every move, spying on him. There are servants of darkness that seem to be showing an unhealthy interest in him too, for forces are abroad that are seeking him out for purposes known only to themselves, and soon he will find himself embroiled in a war, his part in which is to prove to be the adventure - and journey - of a lifetime. "Lost in Translation" is the first part of "Into the Light," and the start of a new epic fantasy trilogy from Michael White. It is a fantasy adventure for lovers of lands strange and magical where can be found mountains to climb and forests to enter. Over the hills and far away, Paul has travelled far into the lands of Felastia though he has yet to have his reckoning with the mysterious figure known only as, "The Keel." His adventures have been many and the strange magical land he finds himself in continues to enchant him at every turn. Yet he knows now that there are dangers too in this land of magic and beauty. Marked by the strange Shadow creatures and the Green Man himself, a battle rages within him for dominance, and his reluctance to choose a side sees within him the danger that he may fade and become mist, dispersed by the wind and lost to all. Now though the mysterious woman known only to him as Aoife has been found, and it is time for him to pick a side, for she has great need

of him, as do the nations of Felastia, for war approaches, and soon events will combine to over-run them all. "The Road of the Sun" is part two of "Into the Light," a new trilogy from Michael White. It is a fantasy adventure for lovers of lands strange and magical where can be found mountains to climb and forests to enter. "Into the Light" comprises of two books: "Lost in Translation" and "The Road of the Sun."

Distant Thunder

Book Two of the Coming Storm Trilogy *Createspace Independent Publishing Platform*

You can take the dead girl out of the country... Veronica Fischer, small-town bloodsucking madam, is an orphan or at least she finally feels that way. Jules, the one who made her, is gone and cleaning up after him isn't something she ever thought she'd have to do. While her hometown seems to be turning against her, she's forced to set off for the bright lights of the big city with a carload of her dysfunctional supernatural family, hoping not to have to face the Dragon of Chicago. Now she has to rescue a sister she didn't know she had, keep Rachel-her adopted 8-year-old ghost-safe, and try to keep Pekin from unraveling under the onset of the coming storm. Sex, violence, and cryptic undead prophecy-all for fun and profit.

Dragon Born

Far in the distant reaches of the universe is a world called Azmantium. A planet with lilac skies, jade green seas and fiery red suns. A planet where everything, from the tides of the sea to

life itself, is rooted in magic. Children are assessed at an early age and trained according to their unique magical talents. Lara, an orphan who has no memory of her true origins, is unaware that she has a vital role to play in the ancient prophecies that are about to begin coming true. Older than most who are just beginning their magical training, Lara will soon find out that destiny waits for no one, especially when the fate of the world rests on their shoulders. With the help of her new friends, Lara will learn that in order to save the future, she must journey into the past - to a time when Dragons ruled the world! This is the first book in the upcoming Dragon Born series!

Heaven Can't Wait *CreateSpace*

Author's Note About four years ago, I walked out of my life. Leaving professional middle class behind me, I set out in search of something more than acquiring and performing. I was so tired of being disappointed every time I arrived at a goal and found nothing there. I couldn't name it, but I suspected there was more to understand about this life. Receiving that understanding became my priority. Whether I was hiking or writing, dancing or crying, all I wanted was to know the more. My way of being changed immediately and gradually as I learned to let go of old stories and step into new freedom. I know now that Love, as a principle, is what I and you have been looking for. It is the beauty, freedom, and wellbeing that we imagine "heaven" to be. And the truth is we don't need to wait. We can live in Love and all its joy right now. We don't have to die to live in heaven. Proof of Heaven by Eben Alexander has been on the New York Times bestseller list for fifty-nine weeks. Browsing in Barnes and Noble

days after I finished this manuscript, I picked up Alexander's book. I was interested solely because he is a neurosurgeon, not the kind of guy typically writing about heaven. Skimming, I noticed that his near death experience was strikingly similar to my own nonphysical experiences. So I read the whole the whole book in an afternoon. My first impression was true. Alexander and I have indeed received nearly identical revelations: Love is all there is. Fear isn't real. We can't fuck it up. Separation isn't possible. Every question is the answer. We both feel that we must share these universal principles as best we can to everyone who can hear them. We both learned to move into "heaven" by focusing on the feeling of it. We both know that everyone has the ability to do the same, and we can do it now. What if you are not who you think you are? I also share Alexander's challenge of putting nonphysical experiences into words after they have come through the filter of my physical body. It's like describing Einstein this way: He was a man. Can you imagine how much you would miss if that's all you knew of him? That's how it feels to offer you words about the experience of god. I offer them only because they might interest you enough to have your own experience. Well, that and because I really cannot imagine being able to keep this Joy all to myself. What if you have suffered enough? That is what I have been asking myself for the last few years, and now, I am asking you. Even if we are the worst people on the planet (whatever that means), we have more than paid our debt. We have spent enough days in fear and shame to punish our worst mistakes. If you don't believe that, at least ask yourself how continuing to punish yourself benefits anyone. Withholding joy and peace from your own life perpetuates misery in every life.

What if you are so much more? I am writing to you to say that I have spent the last ten years in deliberate pursuit of the answer to this question. What I learned changed everything for me. What Alexander learned changed everything for him. It can change everything for you too. My message is not meant to challenge or replace a life that is working for you. What I am suggesting is a way of living that fulfills and delights moment by moment. If you aren't enjoying your life as much as surviving it, I suggest a change. What do you have to lose? You don't have to spend seven days in a coma to have the experience of Alexander. That is his message, and it is mine. He died. I sat. We learned the same good news: There are no prerequisites. You don't have to be a certain kind of person. No history or flaw can disqualify you. There are no rules, no competition, and nothing to achieve. As I illustrate with my own life experience, there is only Love, and we can choose to enjoy it at anytime.

Taking Up My Cross *Createspace Independent Publishing Platform*

Today there are many excellent "introduction to Orthodoxy" books available for the inquirer and the catechumen-books on the faith, and those which narrate the long journey to the faith. Such writings have proven to be very helpful to those seeking the "pearl of great price." There are also many books and essays, both ancient and recent, that teach the newly-illuminated how to live, worship, pray, read the Holy Scriptures, and love God above all things. However, there are few modern books, and this thankfully is one of them, that tell of the potential struggles, misunderstandings, temptations, and fears which a person might

encounter in his or her first five years of being in the Church. Meeting Christ at first enlightens the darkness, and reveals that which is hidden in the heart, the soul, the conscience and the mind of a person; this can bring the sinner to his knees in sorrow at the wounds that have been inflicted on others and on himself. But that initial meeting and change of life is again only the initial stage of repentance. Metropolitan Kallistos, in describing repentance in his essay, *The Orthodox Experience of Repentance*, quotes St. Theophan the Recluse: "Repentance is the starting point and foundation stone of our new life in Christ; and it must be present not only at the beginning, but throughout our growth in this life, increasing as we advance." How very useful, then, is Veronica Hughes's book, which describes how she learned what is truly involved in repentance, a purifying path where one will frequently encounter at least three hurdles: uncertainty, sorrow and even suffering. First uncertainty inevitably arises from the struggle to place one's trust fully in Jesus Christ. Veronica's book recounts many significant hurdles faced by the modern man and woman coming to an unalloyed faith. Veronica's story recounts how her physical disabilities and suffering brought her out of her deep initial involvement with new age spirituality. The attentive reader will see how easily one can be caught up by the spirit of the age and be deluded about who God is, and this delusion leads one to a false and fatal understanding about human nature and destiny. Yet the ancient, holy, diagnosis applies: we are invited to put off the "old nature which belongs to [our] former manner of life and is corrupt through deceitful lusts" (Eph. 4:22) and be "renewed in the spirit of [our] minds, and put on the new nature, created after the likeness of God in true righteousness and

holiness" (Eph. 4:24). The Holy Spirit renews our identity and prepares it for Paradise, beyond anything we can imagine. In addition to these fundamental aspects of how God guides our repentance, Veronica also describes another aspect of Church life that challenges the no-longer-neophyte Orthodox man or woman today. Orthodox worship can be so beautiful and heavenly, but to the modern person who desires to know what is happening and what it means, it can be initially very confusing. Learning how to be in the presence of God-without having to figure it all out-is not easy. Veronica's remarks are wise and helpful in this area. All the while, the author's spiritual journey was guided and aided by her pastor and the congregation of her parish, as well as the good advice of her husband. Not all people are so blessed to find such wholesome and loving guidance. Veronica had her own particular struggles-others will have a different path; that path may be no less thorny, but may it be filled with wonder and gratitude for the presence of God-Who sends His grace so abundantly to those who love Him. "In patience possess ye your souls" (Luke 21:19). (Taken from the Introduction to, "In Christ I am a New Creation, Taking up my Cross" written by Archbishop Lawrence Margitich.)

Publish Your Book in Kindle Amazon Under 60 Minutes.

A Step by Step Guide for Beginners.

I suspect that if you are reading this book, then you either just finished your book or you are contemplating self-publishing books as a full-time or part-time income or just to publish your book and brag to your friends about it later. In any case, this book is written for you and it comes from my heart, and from my many

trial and errors over the last two years and still am doing today. I hope I will not let you down with the content of this book and that you will find it useful.

Grace is Born Sparkle Press, LLC

Grace is Born, a beautifully illustrated poetic parable, is the perfect gift for "sages of all ages, wearing the face of every race, talking the tongue of every one." This spiritual guide to harmonious living awakens our gifts of divinity, inspiring us to InSparkle our world with Loving Acts of Compassion. Grace guides us to take each other's hands, promising that together we will "far surpass the stance of survival and become enraptured in the dance of revival." Grace is Born accompanies readers throughout their childhood into adulthood.

Shattered Glass Createspace Independent Publishing Platform

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ...Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate

ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my

father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.
