Key Policy Responses as of August 27, 2020 Fiscal. Belize has announced fiscal stimulus amounting to BZ\$25 million (about 1 percent of GDP) in 2020 to provide short term relief to employees affected by the crisis, especially those in the tourism sector. So far, more than 40,000 applications for unemployment relief have been approved.

**Policy Responses to COVID19 - International Monetary Fund**

Fiscal policy is deeply intertwined with politics since it is mostly about redistribution across individuals, regions, and generations: the core of political conflict. The redistributive role of governments has been increasing over time starting with the welfare programs introduced during the Great Depression and then with the additional jumps in the sixties and seventies of last century.

**Fiscal Policy - an overview | ScienceDirect Topics**

Fiscal policy is a policy adopted by the government of a country required in order to control the finances and revenue of that country which includes various taxes on goods, services and person i.e., revenue collection, which eventually affects spending levels and hence for this fiscal policy is termed as sister policy of monetary policy.

**Fiscal Policy | Definition | Types & Tools of Fiscal Policies**

In economics and political science, fiscal policy is the use of government revenue collection and expenditure to influence a country's economy. The use of government revenues and expenditures to influence macroeconomic variables developed as a result of the Great Depression, when the previous laissez-faire approach to economic management became unpopular. Fiscal policy is based on the theories of the British economist John Maynard Keynes, whose Keynesian economics theorized that government change

**Fiscal policy - Wikipedia**

The length and depth of global economic shocks can be shortened by prudent fiscal measures by governments, thereby providing a protective shield against the adverse effects on people's lives. Despite national-level policy responses, a sustained recovery cannot be assured unless coordinated action is pursued at the global level as well.
