The Magical Universe of William S. Burroughs By Matthew Levi Stevens When the American writer William S. Burroughs passed away at the ripe old age of 83 back in August 1997, the media coverage was definitely more in keeping with his status as a counter-cultural icon than it was for his literary fame – or infamy – alone.

The Magical Universe Of William S Burroughs

There is also another kind of ‘possession’ that was very much a concern for William Burroughs, Man and Writer. From an early age, as much as he felt a definite sense of being ‘Other’ and not really belonging or fitting in anywhere, as much as he knew he was homosexual, he also believed in the idea of the Magical Universe. He was aware that an integral part of that universe was that there were inimical – even hostile – forces that threaten us, that may need to be bargained with ...
